### A Family Reunion.

On Thursday, Sept. 6th, at Mr. N. A. McNeill's, a large number of people spent a very pleasant and enjoyable day. The occasion was the birthday of Mrs. Elizabeth McLeod, widow of Mr. Norman McLeod, who was so well known and so universally loved throughout this section.

Sister McLeod has seen 78 summers pass over her head, and all during this time, with the exception of a few years in childhood, she has been a faithful follower of the Lord Jesus. All of her children but one, Mr. Alex McLeod, of Robeson county, and the most of her grand children and great grand children were present. Besides these there were a number of friends, among them Rev. T. J. Hudson, wife and children, and Mrs. A. J. Groves and little boy from Roberdel, and Dr. and Mrs. F. J. Garrett from Rockingham.

I shall not attempt to describe the splendid dinner that was dispensed upon a specially prepared table in the yard under the trees.

Very much to my regret I was not able to get there until the late afternoon, thereby missing a great deal of the social feature of the day. But I enjoyed the little time

I had so much, not only the fine dinner those good women kept for me—the women never forget me—but everything else, especially the music, which was one of the most pleasant features of the day. As Brother McNeill's children, with the organ, guitar, violin and banjo, discoursed such songs as, "We Will Sing and Preach Holiness," "A Light at the River," "The Old Account is Settled Long Ago," &c. &c., it made a fellow feel like shouting.

We all sincerely wish that Sister McLeod may live to have many more such happy birthdays.

A. J. Groves.

### The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better remedy for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by Ludolph G. Fox and S. Biggs, Hamlet, N. C.

No use to go into details to tell you of Schloss Bros. clothing, as you all know it. For workmanship and quality they cannot be beaten any where.—A. Aronson.
