

In Memoriam.

William Pemberton Stanback, son of David Stanback, who was the son of Thomas Stanback of Halifax County, N. C., was born Dec. 24th, 1824, in Richmond County and died Feb. 17, 1918 in Anson county at the home of his daughter, Mrs. Emma Robinson.

A typical union of affianced hearts they led the life of landed proprietors of the South. Given to hospitality, pure, simple, generous and elaborate. A gentleman of the old school, as dear o'uld Robbie Burns wrote:—"O' a' the trades I do ken, Commend me to the ploughman."

A successful cultivator of land he reaped more abundant harvest of hog and hominy than his neighbors. Loyal to the Confederacy, he did not sell, but gave to the Confederate Government at one time 6,000 pounds of bacon to feed the ragged, hungry boys on the firing line.

Land of the hills and the flood: Land of my sires! what mortal hand Can e'er untie the filial band That knits my soul to thy alluvial sand."

With equipoise and man-hood strength he confronted conditions and calmly surveyed and weighed the problems of life. Distinguished for making friends, he also possessed the rare gift of keeping them: His courtesy, gentleness, and geniality won all hearts.

A Blue Stocking Presbyterian he was always found on the right side of all questions tending to uplift of humanity. He bore with equanimity, and stocial resignation the trials, afflictions, and bereavements that came during the long years meted out to him far beyond the span of ordinary life.

His life was a well written page of an open book, and like Samuel could say, "I am old and gray headed, and my two sons are with you: and I have walked before you from my childhood unto this day. Behold here I am. Witness against me before the Lord, and before his anointed: whose ox have I taken? or whose ass have I taken? or whom have I defrauded? or whom have I oppressed? or of whom have I received a bribe to blind mine own eyes therewith?"

Silently as the shadows of the evening fall, his gentle spirit passed to the Great Beyond, to be sweetly greeted by "Tave" on the golden shore, happy and free where parting will be no more.

GAVE HAPPINESS TO WHOLE FAMILY

Mother Made Discovery That Brought Happiness to All From Grandmother Down to Hired Hand.

"What is worth doing at all is worth doing well!" A worthy task should be thoroughly performed, and that is the way Peplac worked when it started in to bring health to the DeCover farm, near Wilmington, N. C., also known as the Garden City Dairy. The credit for introducing this remedy in her home belongs to Mrs. DeCover, who says: "My mother, Mrs. Westerman, is sixty-eight years old; for the past ten years has been treated for Bright's disease. She was so bad she could hardly walk, but I wish you could see her now since she has been helped by Peplac."

Miss Minnie DeCover, a daughter says: "Mother got Peplac for me and I am feeling fine. No more tired worn out feeling when I arise in the morning and I relish everything that I eat. I have gained ten pounds and am growing

stronger every day."

George Davis, an employe on the farm, saw the wonderful work of this remedy and took it with this result.

"Peplac has worked wonders for me. I have already gained twelve pounds in good, solid weight and am thankful that Peplac was brought to us."

If there had been any more sick people at the Garden City Dairy Peplac would have restored them, as it does everyone who is in need of a remedy of this character. Peplac is sold at L. G. Fox and S. Biggs. Buy a bottle today; it may save you years of suffering.

WOMAN FOUND ROAD TO HEALTH

Says She Suffered Long Time With Various Complaints, Then Three Years Ago Found the Remedy. Urges Others To Try It.

"I suffered from female weakness, kidney and stomach trouble and had such sore and tender feelings in the pit of my stomach I could scarcely lift anything without great suffering. I was treated by doctors without getting relief and they told me the stomach trouble with which I suffered most was due to female weakness, but I am glad to say that after taking several bottles of Acid Iron Mineral three or four years ago I was completely cured and have felt no symptoms of return. I would not be without it and find it a grand medicine for many things externally as well as internally," declared Mrs. R. G. Hamilton, of Troy, N. C.
