Harrington's Watermelons.

In reporting donations for July, we made a mistake in reporting the donations for watermelons. Mr. A. J. Harrington was one of the few farmers who gave watermelons for the soldiers. It was reported J. A. instead of A. J. Harrington. We certainly did appreciate these for the soldiers did enjoy them so much. Thank you, Mr. Harrington; we are sorry we made this mistake.
 Won't you good farmers of Richmond county give our boys a feast of scuppernongs? They are inquiring about them getting ripe.

History of That \$61.76.

One day three little girls of our town were talking among themselves about the war, and wishing that they might do something to help win it.
 Presently one of them, who hadn't had much to say, but all the while thinking, raised her head and said: "Oh, I have an idea, let's organize ourselves into a little band to be known as 'Uncle Sam's Little Red Cross Workers,' and we'll do everything we can to help the Red Cross, for it is surely helping to win the war."
 The band was organized, with the following officers:
 Since that day, these three girls have been doing everything they could to help the Red Cross. They have had Rummage sales and have sold ice cream etc., and about two weeks ago they sent the Secretary of our Chapter a check for \$61.76.
 They say they want to help Uncle Sam in every possible way, and are going to continue this work, and hope soon to raise \$38.24, which will make a round \$100.00, as they don't want to stop short of this amount.
 Some Saturday's these girls have worked all day without any dinner unless their mothers sent it to them, so eager and anxious were they to do their BIT. If they were old enough to go we believe they would join a Red Cross unit and go "Over There." However they are doing a good work here, and in behalf of our Red Cross Chapter we thank each one of these girls for their untiring service and for the neat sum sent our Chapter.

66 Years Success

The Wonderful Record of Dr. Thacher's Liver and Blood Syrup.

Those medicines which live for even a quarter of a century are exceptional, and continuous use for over two-thirds of a century is indisputable evidence of wonderful merit.

Dr. Thacher's Liver and Blood Syrup came into existence in 1852, and from that time to the present it has grown in the confidence and estimation of its yearly increasing number of users. Through all these years it has steadily grown in popular favor.

Its wonderful building up power is shown in the experience of Mrs. C. E. Chadwick, Seale, Ala. "I was all run down in health," she says. "Weighed only 104 pounds and getting worse every day. I began the use of Dr. Thacher's Liver and Blood Syrup and today, I am thankful to say, I am in perfect health and weigh 155 pounds. I attribute my good health to the use of that most wonderful medicine. I firmly believe there are numerous suffering people that could be sound and well by the use of Dr. Thacher's Liver and Blood Syrup."

If you need a tonic, or a blood purifier; if your liver is out of order, your stomach troubles you, or you are constipated, have indigestion or dyspepsia, try Dr. Thacher's Liver and Blood Syrup. It is purely vegetable and cannot possibly injure any one. It has been of wonderful benefit to others, therefore should command your attention. All dealers in medicines sell it and will recommend it.

NON-DELIVERY OF DRINKS.

To Our Friends and Customers:

The present shortage of help and the high cost of lost material (glasses, spoons etc) make the delivery of soft drinks prohibitive. Help us conserve manpower and don't ask us to deliver soft drinks. However, this must not be confused with the delivery of drugs. We STILL DELIVER drugs as heretofore.
