

### Superior Court in Session.

The March term of superior court for the trial of civil cases convened Monday, with Judge Shaw presiding.

The Sheriff reported that the following drawn as jurors were not to be found in the county: M. B. Watkins, D. R. Thomas, D. P. Pope, G. H. Mauldin.

The following summoned as jurors were excused by the Judge from serving: W. S. Williams, F. T. Biggs, D. F. Warner, J. R. Boykin, A. J. Little.

The first case heard was an uncontested action for divorce from Hamlet, Mrs. E. B. Morris versus H. S. Morris; divorce granted.

The next case was begun about noon Monday and was not finished until noon Tuesday. J. F. Stafford vs Norfolk Southern Ry. The action was result of the alleged negligence of the railroad in handling a shipment of horses and mules, consigned to the plaintiff, at Ellerbe, in 1913. He sued for a total of \$1200, with interest since 1913. The jury was composed of J. Waite Covington, Van McDonald, Raiford Dawkins, A. W. McKay, Billie Watkins, J. B. Melton, J. C. Dockery, A. G. Corpening, S. P. Stogner, J. W. McGirt, Lonnie Stogner, M. R. Vuncannon. The attorneys waived the usual speech making, after the evidence was in. The jury rendered verdict for \$1000 for Stafford, without interest, and put costs on railroad. Appeal taken by railroad.

In the case of Stafford vs A. C. L. Ry the Judge allows a non-suit and taxes costs on Stafford; Stafford gave notice of appeal.

Next case was J. F. Brower vs Cameron Morrison et al. The following issue was submitted: "Is the land shown on the plat hereto attached and made by N. A. Graham surveyed under order of the court in this case, vacant and subject to entry by plaintiff?" Answer: "Yes."

W. B. Ellwood vs J. T. McLeod. Question submitted: "Is defendant indebted to the plaintiff and if so in what amount?" Answer: "Yes, \$75 with interest from Dec. 1, 1911." The plaintiff and defendant afterwards compromised the matter.

On Monday in open court, M. E. Bolton, of upper Richmond, was presented to His Honor by Attorney W. S. Thomas, and the oath required by law for a practicing attorney was administered by Judge Shaw. Mr. Bolton secured his license by passing the examination before the supreme court in January.

A number of orders were made by the Court Tuesday. G. E. Hinson having raised the bid of \$5100 on the Morrison house in Rockingham, the Court orders a re-sale of the property, the same to be April 5 (see legal notice elsewhere in this issue). The Court confirmed the sale of the 176-acre Dempsey Gibson tract to T. C. Leak, consideration \$1775. The Bank of Pee Dee having raised the bid from \$200 to \$300 in half interest on 100 acres of Morrison-Ledbetter land near Norman, the Court orders a re-sale, same to be held April 5th.

Ruby L. Jones vs Entwistle Mfg Co, was begun Tuesday aft and jury took case at 10:45 this morning. Suing for \$30,000 for damages in mill. Jury composed of Lonnie Stogner, N. A. McAskill, Dan Webb, S. J. Millikin, C. C. Capel, A. W. McKay, J. Waite Covington, M. R. Vuncannon, S. P. Stogner, Furman McLeod, Coy Green, Billie Watkins. After remaining out from 10:45 this morning until four this afternoon, the jury returned a verdict for the plaintiff for \$9,000.

W. H. McNeill, of Carthage, vs A. L. Greenbury Iron Co. et al.

### Sued for \$1030 for salary due.

J. T. West vs A. C. L. compromised today for \$300, and railroad to pay all costs.

Metropolitan Discount Co. vs B. L. Henderson. Suing for \$80; compromised for \$50.

The case of T. M. Ewing, Exr. vs National Council Jr. O. U. A. M. will be taken up first thing Friday morning. After this case, that of Mrs. Cornelia Millikin et al vs C. B. Millikin will be begun.

Court will likely continue through Saturday afternoon.

### R'ham Debating Triangle.

(Contributed)

Wadesboro and Hamlet High Schools have both withdrawn from the Rockingham-Hamlet-Wadesboro debating triangle and will not debate at all this year. Temporarily this has left the Rockingham teams up in the air, like the fellow who was all dressed up with no place to go. However, it is probable that Rockingham will be placed in a new triangle, the other members of which will be Aberdeen and Lillington.

The Rockingham debaters are working hard and will undoubtedly have their usual strong debates ready for the contest on April 4th. They regret deeply not being allowed the opportunity to measure their strength against their old rivals from Wadesboro and Hamlet.

### SOLDIER & \$60 BONUS.

Discharged Soldiers Should Have Red Cross Secretary Write About the \$60 Bonus.

Many discharged soldiers are unfamiliar with the method to be pursued in obtaining the \$60 government bonus, and many of them are paying out a goodly fee to persons to handle the matter for them.

This is not at all necessary. The Rockingham Red Cross Chapter stands ready and eager to serve these boys. If you have not applied for your bonus, simply go to Mrs. A. L. McDonald, the Secretary of the Red Cross Home Section Relief, in the office of the Richmond Insurance & Realty Co., in the hotel building, and she will gladly give you all the information needed. And she will make application for you, and save you the fee that some one else might charge you. The full amounts will be collected by the Red Cross for our soldiers, without one cent of pay. That is the mission and object of the Red Cross—to help the soldiers. So carry your troubles to Mrs. McDonald and save your money. You deserve every cent of this \$60 bonus.
