First Revival at Pee Dee Baptist Church.

This revival will begin on the fourth Sunday night in May. It is earnestly hoped that it will be an all-around success. If it is a success, which I believe it will be, faith and works must not only balance in the sensitive scales of God, but must be of such weight that these scales will be burdened to their limit. I mean by ths that faith and works must be of no little amount.

It will be our object to keep

off of this revival the starched clothes of formality. And if equal respect to all is according to the Scriptures (of course it is) it will be given a fair test. Furthermore, if a welcome to all has any power it will be extended to its limit.

Respectfully,
A. G. Melton.

Are You Awaiting The Great Crisis?

So, Do Not Allow the Time to Pass With Nature Unaided.

Women who give nature a helping hand during the period of expectancy find that when the time arrives for baby's coming it is approached and passed with infinitely less pain and danger. Thousands of women for over half a century have learned that in the time-honored preparation, Mother's Friend, they have a grateful, relaxing, penetrating remedy, the use of which makes it possible for them to go through childbirth without the usual nausea, nervousness, bearing-down and stretching pains, and that through its use the hours at the crisis are fewer and of much less pain and danger. Mother's Friend penetrates the muscles, rendering them pliant and easily governed by the demands of nature. They relax gently and bring happy days and calm, restful nights. As the result the crisis is passed with greater ease and in less time, the breasts are kept in good condition and the skin is made and kept soft and free from blemishes. Write to the Bradford Regulator Company, Dept. P. Lamar Building, Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from your drug-gist today and thoroughly fortify yourself for the coming event.

666 has more imitations than any other Chill and Fever Tonic on the market, but no one wants imitations. They are dangerous things in the medicine line.—Adv.

FORTY YEARS A DRUGGIST
He Endorses
PERUNA

Read this from Mr. L. A. Richardson of Marine, Illinois:

"I have been engaged in the retail drug business here for the past forty years. During this time I have seen many patent medicines come into use, flourish for one or two years and then gradually disappear. There are very few of these remedies that possess enough real merit to insure them long life. Peruna has always been a good seller with us, with a marked increase from year to year. The change in the formula some years ago, by the addition of the slightly laxative properties, has made it a reliable remedy for constipation and for colic. If taken from your drug-gist or three days' time, I take pleasure in urging my brother druggists to recommend it for these two ailments."
