Small Farms at Your Own Price:

We are subdividing the Long property of 480 acres, into 50 small farms. This property is just southeast of Roberdel No. 2 Mill village and lies on both sides of the Rockingham Railroad. A part is under cultivation, and balance is in fine shape for development. These lots are so divided that you can buy most any size farm you wish.

This is an ideal location for peach orchards, being on a high elevation and therefore making a crop almost certain.

The property is almost in sight of the Seaboard Air Line Ry and what with the Rockingham Ry running through it, a splendid outlet is offered. It is within 2½ miles of Hamlet and the same distance from Rockingham.

Go out before the sale and pick your lot. We urge and invite your inspection of them. Seeing is believing. Remember the date: Wednesday, Nov. 12th, at 11 a. m.
