Diamond Squeegee Tread TIRES

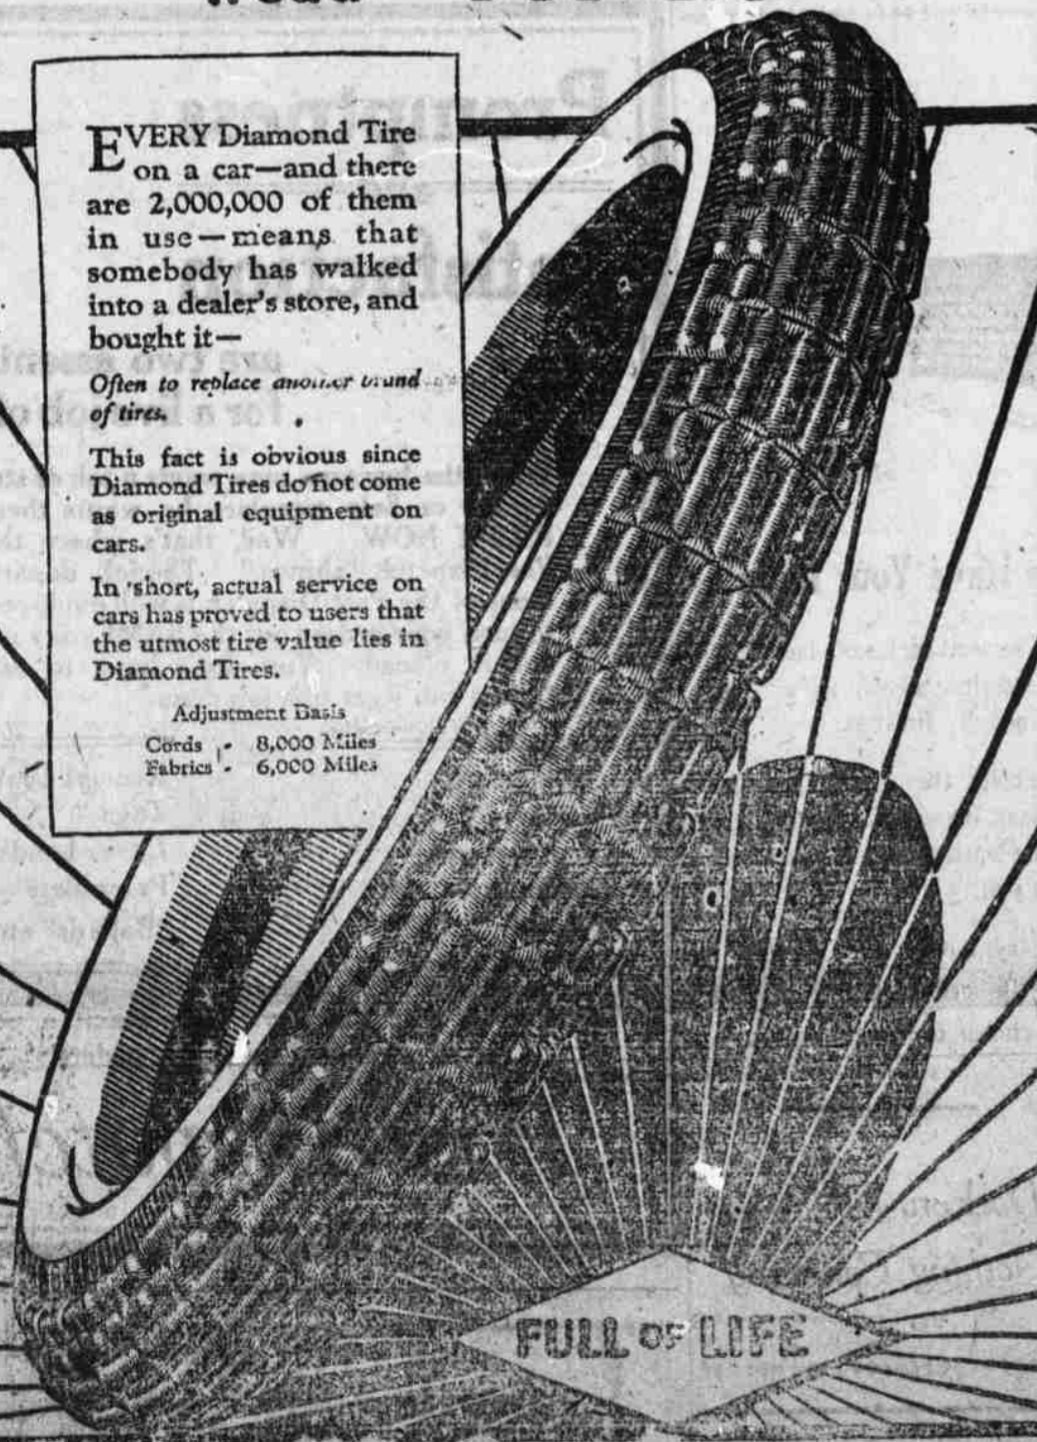

EVERY Diamond Tire on a car—and there are 2,000,000 of them in use—means that somebody has walked into a dealer's store, and bought it—

Often to replace another brand of tires.

This fact is obvious since Diamond Tires do not come as original equipment on cars.

In short, actual service on cars has proved to users that the utmost tire value lies in Diamond Tires.

CERTIFICATE OF DISSOLUTION.

STATE OF NORTH CAROLINA
Department of State
To All Whom These Presents May Come—Greeting

Whereas, It appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the Leake-Everett Land Company, a corporation of this State, whose principal office is situated in the town of Rockingham, County of Richmond, State of North Carolina (J. LeGrand Everett being the agent therein and in charge thereof, upon whom process may be served), has complied with the requirements of Chapter 21, Revised of 1905, entitled "Corporations," preliminary to the issuing of this Certificate of Dissolution:

Now, Therefore, I, J. Bryan Grimes, Secretary of State of the State of North Carolina, do hereby certify that the said corporation did, on the 3rd day of May, 1920, file in my office a duly executed and attested consent in writing to the dissolution of said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings of aforesaid are now on file in my said office as provided by law.

In Testimony Whereof, I have here to set my hand and affixed my official seal at Raleigh, this 3rd day of May, A. D., 1920.

J. BRYAN GRIMES,
Secretary of State
