CARDUI HELPED REGAIN STRENGTH
Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.
Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.
"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since... I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."
For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.
If you suffer as these women did, take Cardui. It may help you, too.
