

BUICK

FOR years the demand for Buick cars has always exceeded the supply—even when Buick production mounted to 500 cars daily.

Because of the material curtailment of motor car production this winter, the country faces a decided shortage of quality cars this spring and summer.

Consequently Buick dealers are advising motorists to place their Buick orders now because orders must be sent to factory

months in advance of delivery.

The reason why the demand for Buick cars has always exceeded the supply is more pronounced than ever in the 1921 Buick. Coupled with the noted Buick power and dependability are added riding comfort, easier control and a beauty and grace that fittingly express Buick worth.

Authorized Buick Service insures full return on Buick investment.

Since January 1, regular equipment on all models includes Cord Tires

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't over hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

"... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."
 Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.
