(Continued from Front Page.)

ably you have never handled it before.

Don't Become Panic Stricken. The weevil has come to "gather his jewels" - the farmers who will follow Mother Nature's laws in their agricultural practice.

We have recently made a co-operative order for vetch and other cover crop seed of several hundred pounds, but this represents only a very small percent of farmers who should begin improvement this fall.

Early in August, we published a notice of this service and offered our assistance with the caution not to be too late - you can lead a horse to water, but you can't make him drink.

"The Trucking Business?" Remember Rockingham's market last spring and summer and then remember how you fed those cabbages to cows and hogs at a loss, Rockingham ate all she could, but she is not of elephantine proportions nor has she the capacity of a herd of mammoths.

"A Truck Growers' Association For Shipping?"

Oh, no! Not for Rockingham county farmers! That would require co-operation such as is seen in the Peach Growers' Association of Moore County and of the eastern section of Richmond. No, we won't do that NOW, but we will when the weevil gets through with us - if we are yet able.

"Plant Peaches?" Yes, if you'll, first of all, become a member of a Peach Growers' Association that is reliable. Then wisely select the orchard site and be very certain that you know how to plant, cultivate, prune and spray for best results or be willing to do (and do it) absolutely every thing advised by those who are competent to advise.

Under weevil infestation, we must be agriculturally "born again." We haven't yet entered the gestation period.

(Bring something to the County Fair, October 26-29.)

MRS. GEORGE WARBURTON

The Woman's Auxiliary of the Presbyterian church of Rockingham, N. C., desiring to express their sense of loss in the recent death of Mrs. George Warburton on August 1st, 1921, have adopted the following resolutions:

1st. That through the death of Mrs. Warburton we have lost a member whose untiring energy, activity and zeal have been an inspiration and stimulant to us all, during the many years in which she has been one of our most faithful workers.

2nd. That we hold in reverence her example of devotion to her family, her church and her friends. That we recognize that working for the objects of her love was the delight of her life, that her generosity and hospitality were limited only by her frail health.

3rd. That we offer to the bereaved family our deep sympathy and commend them to God whom she loved to serve.

4th. That we send a copy of these resolutions to the family, that a copy be spread upon the minutes of our society and copies be sent to the Presbyterian Standard and the Post-Dispatch for publication.
