The Roberdel teams consist of four girls, one in the tenth grade and three in the ninth, the affirmative team being Bertha Baxley and Mary Reese LeGrand, and the negative, Maggie Stogner and Kathleen Thomas. **Purheath Shoots Manor.**

Last Saturday night a man from the Osborne section named John Purheath, severely shot John Manor at the latter's home near the old County Home.

Purheath and a man named Edwards, from Hannah Pickett, came to the Manor house and waked Mr. and Mrs. Manor up and asked were Purheath's wife and child there. They were informed they were not. Purheath was drinking, and tried to get in the house. Mrs. Manor barred the way, and thereupon Purheath shot at Manor with a shot-gun, through an opening in the door. The load entered Manor's left arm, side and hip. He was carried to Hamlet hospital where the surgeon found it necessary to amputate the arm just above the elbow.

Purheath was arrested Sunday by Sheriff McDonald near Osboro, and the man is still in jail. Edwards was also arrested, but was released from jail Wednesday. It is said Purheath claims Manor was coming at him with a gun.

The March term of Superior Court for the trial of civil cases adjourned late Saturday afternoon after disposing of a record amount of work. Judge Walter E. Brock presided over the Court and his manner of conducting court fully justifies our predictions that he would soon be one of the leading judges of the state.

Mrs. W. C. Leak was out of town Tuesday night, and so was unable to vote. Another meeting of the Board will be held Friday night at which she will be present and cast the deciding vote as to the location of the building. The eyes of the town, figuratively, are now turned to her to break the tie and by her one vote say where the high school pupils shall receive their education.
