"Feeling Fine!"

"I was pale and thin, hardly able to go," says Mrs. Bessie Bearden, of Central, S. C. "I would suffer, when I stood on my feet, with bearing-down pains in my sides and the lower part of my body. I did not rest well and didn't want anything to eat. My color was bad and I felt miserable. A friend of mine told me of

CARDUI

The Woman's Tonic

and I then remembered my mother used to take it. After the first bottle I was better. I began to fatten up and I regained my strength and good, healthy color. I am feeling fine. I took twelve bottles (of Cardui) and haven't had a bit of trouble since."

Thousands of other women have had similar experiences in the use of Cardui, which has brought relief where other medicines had failed.

If you suffer from female ailments, take Cardui. It is a woman's medicine. It may be just what you need.
