"JUST HER AND ME."

(By Bessie Maness.)

Once there was a little girl Her name was Lizzie Lee, She often came to my house to play— Just her and me.

Her hair was yellow as gold, Pretty as ever you see, She bundled it up in a knot and played mother— Just her and me.

But one day we were playing with paint, And it fell on our heads—whee! We sure looked a sight— Just her and me.

And we had to have our hair shorn off Close to our heads you see, And Oh, we looked like monkeys then Just her and me.

Everyone thought we were boys, And we were as 'shamed as we could be, We went and hid in the barn loft— Just her and me.

TONSIL AND ADENOID CLINIC

(Continued from Front Page)

of 6 and 12 years, inclusive. The state school nurse will be in charge of the hospital. An experienced specialist selected by the county board of health will perform the operations. The surgeon will be assisted by a full-time anesthetist who is a physician, nine trained nurses and a hospital orderly, all belonging to the regular staff of the bureau conducting these clinics.

A full hospital equipment is moved from county to county on a specially designed truck, and every facility for establishing a complete emergency hospital is at hand.

Nearly 10,000 children have been operated on in these clinics in the past few years.

No child will be operated on until after having been carefully examined by both physicians to determine the actual necessity for the operation and whether or not the child is in proper physical condition at that time to be treated.

The children are kept over night after the operation and a nurse is in constant attendance. Parents will be permitted to remain with their children if they care to do so.

The nominal fee of \$12.50 will be charged every parent able to pay, and they will be expected to come prepared to pay the day the child is operated upon.

Those unable to pay for the treatment will be given the entire service free upon application to the nurse in charge of the registration each day. Every parent is expected to register for this service, the day the child is accepted by the physician for operation.

SARAUS IN EUROPE.

"Union Jack Club, 91 Waterloo Road, London, England. July 9, 1924.

Dear Mr. London:— Just a line to let you hear from me again. I received the last copy of your paper in Cherbourg, France. It surely did do me good to hear from N. C. again. I spent 3 days in Paris and 7 days in Cherbourg, France; and now I am in London for four days. I have been in the House of Parliament, the Westminster Abbey, and out to the King's Palace, and I am going to see a great deal more. Well, I will close as I am going to the museum for a while. Your old friend, Saraus Odum, U. S. S. West Virginia, Care Postmaster, New York, N. Y., F. Div.

A CARD OF THANKS.

With hearts of gratitude and appreciation we thank our friends of Rockingham and our parishioners of the Richmond Circuit for the kindness and sympathy expressed during our recent bereavement. Rev. and Mrs. Chas. A. Jones.

IN MEMORY OF MISS ALBERTA BARRETT.

After an illness of weeks, Alberta Barrett, daughter of A. P. Barrett, of Rockingham, died at her home Wednesday afternoon, July 9th, at about 3 o'clock.

She was indeed a sweet, patient sufferer, with a kind word and a smile for everyone; even the little children were anxious about her, and would so gladly run to see Alberta.

While her happy spirit was taking its homeward flight, our hearts were almost breaking at the thoughts of parting, but we know there was rejoicing in Heaven at the happy meeting with her Saviour and her dear mother, who went on before her to Glory, when she was only a tiny girl.

How the dear school "chums" will miss her. But we who are followers of Jesus, know that the Father doeth all things well and knoweth what is best.

Our sympathy is with the bereaved ones.

"There's a new made grave, Another break in the sod, Another soul with its God, The moments glide by slowly, And long appears the day, Our hearts are heavy with sorrow, Since Alberta went away." A Friend.

CARD OF THANKS.

Would you kindly enter a card of thanks for us to the good people of Rockingham and community for the kindness and assistance given us during the sickness and death of our dear mother; and especially to those that watched over her so closely. Her Children, By L. H. Stogner.

PERKINS-COCKMAN. (Contributed)

A wedding of much interest to the people of Rockingham and Alma, Ga., occurred Monday afternoon at 4 o'clock, July 14th, when Miss Jennie Cockman and Mr. Fletcher Perkins were quietly married at the home of the bride's parents, Mr. and Mrs. Atlas Cockman, at Alma, Ga. Rev. Bethune, former pastor of the bride, performed the ceremony.

On Wednesday after the wedding, Mr. and Mrs. Perkins started on their way back to Rockingham, but had a wreck before reaching Augusta. Mrs. Perkins was rushed to the hospital where an examination was made, but found she was not seriously hurt, but could not continue the trip home in the car, so Mr. Perkins was forced to bring the car home and return for Mrs. Perkins by rail. There was a big time awaiting them if they had arrived Wednesday night.

Mrs. Perkins is the second daughter of Mr. and Mrs. Atlas Cockman, of Alma, Ga., and Mr. Perkins is the only son of Mr. and Mrs. John Perkins, of this city. They will be at home to their many friends at Rockingham. We wish them much happiness and success in their married life.

ALARMING!

The kidneys should filter the blood, and when they are out of fix, the blood stream is just filled with poisonous uric acid. Carried to all parts of the body, this poison causes backaches, headaches, rheumatic pains, heaviness, drowsiness, dizziness, irritability or depression and distressing bladder troubles. But that isn't the worst of it. In chronic neglected cases, the excess uric acid is apt to form into gravel or kidney stones, and to cause gout, sciatica, dropsy and even Bright's disease. Let the first pain in the back be your warning. Get a bottle of Dr. Pierce's new An-uric tablets (anti-uric-acid). Your druggist can tell you about this new discovery for bad kidneys. Or, send 10c for a trial package to Dr. Pierce, Pres., Invalids' Hotel, Buffalo, N. Y.
