

**Smithy's Car Damaged.**

Last week Henry C. Smithy bought a new 1946 Pontiac from Penegar Motor Co. Sunday night he and Mrs. Smithy, and Mr. and Mrs. Heath Penegar, were out riding in the new car. When near Morgan's tourist camp, 5 miles northeast on Highway No. 1., a car from the rear tried to go around the Smithy car at a rapid rate of speed, and evidently cut back in too sharply, thus side-swiping the left front fender. The driver of the other car was Harold Gilliland, 34, of Charlotte; his car continued for 99 yards into a corn field; no one was injured. The damage to the new Pontiac will be around \$150, to say nothing of the mental stress at having a brand new car thus mis-treated.

Gilliland was put in jail, but was released June 18th under \$300 bond so he could continue on to Ft. Bragg; he will have a hearing June 25th.

The much-discussed 1947 Studebaker, described as "the first genuine postwar automobile," has been placed on display at dealer showrooms here. Lower and wider bodies, re-engineered weight distribution that adds immeasurably to riding safety and comfort, mechanical advances that include self-adjusting brakes and stronger, box-section frames are among the many highspots. Pictured above is the four-door Champion sedan.

**How women and girls may get wanted relief from functional periodic pain**

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardul. If it helps, you'll be glad you did.

LOOK INTO this 2-way help! Try CARDUL. GET LABEL DIRECTIONS
