**Ladies' Night for Lions Club Dec. 14**

It was announced today by Koy L. Dawkins, president of the Rockingham Lions Club, that the Zone Ladies' Night program which was planned for Dec. 4th has been postponed until Dec. 14th. This change was advisable because of several conflicts with other important events this coming week-end. The principal one being the state championship football game at Hamlet this Friday night.

Careful preparations have been made for the occasion, Dawkins said, and the club is considered fortunate in that the professional entertainers engaged for the former date are still able to appear on the program on the 14th. This postponement will also allow others more time in which to make their plans to attend and to get the proper reservations.

It is understood that all clubmen will be accompanied by a lady, thus conforming to a custom established several years ago. The banquet will be served in the cafeteria of the L. J. Bell School, beginning at 7 p. m., followed by the program of entertainment and recognition of distinguished guests and visitors.

Clubmen and their guests from other clubs of the area will include Hamlet, Ellerbe, Wadesboro, Ansonville, and Polkton.

By way of excusing the postponement of the event, Dawkins stated that personally he felt that the Lions Clubs of this area are highly appreciative of the fact that a local high school athletic team has advanced to the important position of contending for a State Championship, and that all of those clubs are glad to give way for Hamlet's "Big Night".

**With the Sick**

Little Jimmy Long, son of Mr. and Mrs. J. M. Long remains in a coma at Duke hospital. Little Jimmy was injured from the kick of a horse several weeks ago. Mrs. Long remains at his bedside and takes care of him during the day.

Charlie Carr underwent a major operation on Sunday, at the Charlotte Memorial hospital. Mr. and Mrs. Carr are now making their home in Lancaster. Mrs. Carr is the former Josephine Wentz, daughter of Mr. and Mrs. W. A. Wentz. They have many friends here that will be thinking of them and hope that Mr. Carr will be on the road to recovery in a few days.

**Legion in District Meet Hamlet Dec. 1**

Local Legionnaires attended the 12th District American Legion meeting at Hamlet last night, at which time a number of district officials were present and made brief talks.

The meeting was presided over by Bob Christo, district commander of Pinehurst. The principal address of the evening was delivered by Dept. Chaplain, Harold Leatherman. His theme was based on the question "Why I Joined the American Legion". Among the many reasons given, he included the idea that this organization has reached that point in its history when it becomes necessary for the rank and file of the Legionnaires to feel that it is an honor to be enrolled in this organization, and that with this honor also goes a solemn responsibility. He made particular mention of the Legion's assumed leadership in the "Back to God" movement that is now being promoted throughout the country.

Others making brief talks were Ellis Carver, departmental divisional commander; and Bill Staton, departmental Judge Advocate.

In reporting on memberships during the business session, it was found that the goat, which must be maintained by the post making the least showing in this respect, does not change his residence. He will remain in the comfortable quarters he has occupied for the past month at Hamlet.
