

HOWELL SAYS HODGES IS NAIVE

(Continued from Front Page)

happened in that Little Rock election can very well happen in North Carolina's primary for Governor next May! Straddling candidates and those favoring "token" compliance had better see the light and stand up and be counted—else the voters will count them out—just as sure as shootin'.

In his speech Tuesday night, Congressman Alford proposed that the Southern legislatures should enact resolutions that the May 17, 1954, Supreme Court decision is "not the law."

Mr. Alford said that a few weak-kneed whites here and there say that "Integration is inevitable," and therefore they favor a "token" integration.

But, said Mr. Alford, "there would never have been a Declaration of Independence if the people of that day had used such phrases of defeatism!"

Mr. Alford's main point was that the Supreme Court decision was without legal precedent and was itself unconstitutional. He termed it "the finest grist the Communists have ever had for their American mill!"

AN ISSUE IN 1960

If any one is so simple as to think that the Integration issue can be kept out of the Democratic primary in May 1960, he or she had better take a new look. Governor Hodges in a statement says that it will NOT be an issue. Just wishful thinking on the part of the Honorable Luther B. It is not GOING to be an issue—it ALREADY IS.

Sanford, Larkins and Hewlett needn't kid themselves about this. Those candidates for Governor will find it a very live issue!

And Dr. Beverly Lake is so far the only candidate to take a stand.

THE VOTERS WOULD SPEAK!

Left to the vote of Church congregations, and the voters in general, the decision would be overwhelming against the Supreme Court sociologists and the NAACP mix-mongers.

INTEGRATION AN ISSUE

In the Observer of May 9th, under the head of "Letters to the Editor", is this letter from D. M. Howell of Hamlet.

"How naive can Governor Luther Hodges be? He hopes that integration will not be

an issue in the upcoming gubernatorial campaign.

Does he hope that water won't pour, that fire won't burn, that the sun won't come up in the morning?

One would think that he'd just arrived from Mars and hadn't heard the news.

This issue of integration was born of politics, nurtured by politics and its destiny is to be determined by politics, and yet the Governor hopes it will be ignored by politicians—this meatiest piece of political bait the country affords.

The trouble is he knows it is a real, live, burning issue with every voter in North Carolina and he's afraid. It could be he's not now so sure of his so-called moderation and wants to kiss and make up."

Telephone Talk

By L. B. EISENHART Your Telephone Manager

THERE'S NOTHING LIKE the old-fashioned sound of the school bell ringing to remind us that hundreds of our well-scrubbed, bright-faced youngsters will once more be crossing streets or waiting for rides. So let's all remember our "driving manners" and heed the traffic safety rules of school zones and bus signs.

OTHER BELLS are ringing more often during the busy fall season too — telephone bells. Most folks have learned how easy and fast it is to shop by phone. In fact, there's a growing new class of consumers in the country — women who've learned how much time they save when they order by phone. So, when you're at your busiest with "things to do" piling up all around, let your telephone work for you. It'll save you lots of time and steps and doesn't cost any more whether you make one call or a hundred (in town, of course).

AND BY THE WAY, to make your telephone shopping easier, don't forget the Yellow Pages are a handy guide for the goods and services you want.

AND LADIES, here's something made to order for you. I'm sure you'll enjoy our new 15-minute technicolor film, "Plan for Pleasant Living"—a room-by-room tour of an idea-filled home, designed and furnished in cooperation with GOOD HOUSEKEEPING.

It'll give you a handful of wonderful ideas for any decorating you're planning this fall. Just call our business office and we'll arrange a showing at your next woman's club meeting, PTA meeting, or other get-together. It'll be something new and interesting, and there's no charge.
