READ WHAT THE
Highest Insurance Authorities
SAY OF THE

Brooklyn Life!

"A company that makes such endorsements, gives the strongest pledge that it will fulfill its trust faithfully, and keep its reserves sufficient."—Hon. ELIZUR WRIGHT.

"The BROOKLYN LIFE has placed itself in the vanguard of insurance reform, and is the first company that has done full and complete justice to the insured."—INSURANCE TIMES, January, 1869.

"The BROOKLYN LIFE has made no half-way work of the adoption of this inestimable feature. It is noteworthy, in this connection, as a merited tribute to the excellent Company (Brooklyn Life) which has so gallantly raised the standard of reform in Life Insurance, that we find in the whole list of existing Companies, few competitors which deserve so much credit in respect of economy of management, or care, skill and judgment in the selection of risks."—INS. SPEC., January, 1869.

The BROOKLYN LIFE, alone of all other Life Insurance Companies, guarantees a definite surrender-value in cash, and every policy issued by that Company bears a certificate stating what its exact worth will be in dollars and cents at any time after the payment of two or more premiums.

The Brooklyn Life has paid, and now pays, to its Policy-holders larger dividends than ever before paid by a Life Insurance Company.

Dividends are paid in cash, or applied to the permanent increase of the policy, or left with the Company to accumulate at interest, in either way, at the option of the policy holder.
