The possibility of a single Demo crat in a township being kept away from the polls should stimulate every other Democrat to do his duty. And it is in the primary meetings -township and county organization-that the sure foundation for success may be laid. Let the work begin at the real storting point, in the various townships of each county, which may well be termed recruiting stations for the great Democratic army. A want of timely action and continued effort, whether due to a feeling of overweening confidence or place and position by his influence. a disposition on the part of each one to shift personal agency and responsibility off upon the shoulders of another on the "everybody's business" idea, might work a result far different from that which, at the present outlook, the Democratic party has every right to hope for.

youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often,

though not always, cured. It cheeks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER Writes from Kinby, O., MR. C. P. BRICHER writes from Kindy, O., July 3, 1882: "Last fall my hair commenced failing out, and in a short time I became nearly baid. I used part of a bottle of AVER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of bair growing vigorously, and sun convinced that but for the use of your preparation I should have been entirely baid."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "Aven's if an Nugon is a most excellent preparation for the hair. I speak of it from my own experience. Its use proposition to growth of new hair, and makes it glossy and soft. The Vison is also knowledge has the preparation ever failed to give entire satisfaction."

MR. ANOU'S FAIRDAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AVER'S HAIR Vigor, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, ora-tors, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing hald. On using AYER'S HAIR VIGOR the failing stopped and a rew growth commenced, and in about a mouth my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing."

We have hundreds of similar testimonia to the efficacy of AVER'S HAIR VIOOR. It needs but a trial to convince the most skepti-
