THE GOVERNORSHIP.

mation, it is clear that the public senwiment has generally crystallized on all accord with the prevailing judg- the farmers hereabout. went of the party, and we say this with all respect for those from whom we differ. We will cheerfully support comes up smiling with the second merits. An article having a large sale, any one who may be the choice of the Convention, provided, always, he is fully identified with our organization and has the proper mental and moral didste in the field.

comes up smiling with the second paying over two per cent, profit, having paying over two per cent, profit, having paying over two per cent, profit, having no competition, and en which the agent is protected in the exclusive sale by a dead given for each and every county he may secure from us. With all these advantages to our agents, and the fact qualifications for the position. But The statesmen of both parties are that it is an article that can be sold to our party fealty leads us no further taking a rest from politics and Presite are than this. Nevertheless, it is but just dent making, and enjoying the races to seems good agents at once, but we that the choice will fall upon no one who is not well worthy of the honor bestowed.

In a few days the pot any agent that it is an article that can be sold to every beaucourse, it might not be me-consured to seems good agents at once, but we have considence in the merits of our invention, but in its salability by any agent that will handle it with energy. Our agents now at work are making bestowed.

It is our fortune to be quite well lively times in November. barmony with the Democratic doctrines. Tried, as he has been, both in civil and military position, he has so acted as to win the respect and admiration of good people everywhere, and, if made our Governor, will adopt the second secon and, if made our Governor, will ad- of the century,

THE ENDING AND THE MORAL.

The career of Boggan Cash is closed. Resisting arrest, even firing the first shot, he was riddled with bullets by the officers who had gone to capture him. When Cash, after the homicide, determined to take matters in his own hands and for weeks skulked from swamp to swamp under the ban of outlawry, however much his apologists may explain, he renounced by his own act all legitimate pretensions to justification for the deed he had committed and placed himself outside the pale of sympathy. He ought to vote in 1882 was only 223,083-17,000 have surrendered and permitted a short of what it was in 1880. On a light jury of his countrymen to decide his vote the Republicans have all the adto deny that in his awful dilemma of white people are not so apt to avail

only possible but probable. A ress-onable discretion on the part of Rich-ards—simply a prudent exercise of anothing our and passed the bottle. his authority as an officer, we may . The fact is boys, I have quit drink fairly suppose -would have accomplished the lawful purpose and prevented bloodshed.

If police officers, and others appointed to preserve the peace of society, shall in future be more discreet in the exercise of their power; and if, boy ?" sang out one. "If you've qui on the other hand, disturbers of the drinking, something's up; tell as what peace shall yield a readier obedience it is is." "Well boys, I will, though to the voice of law, then will two val- you'll laugh at me. But I'll tell you all uable lessons have been learned from the chapter so recently written in all my life, ever since I was married.

Letter from the National Capitol.

Correspondence of the Rocket. WASHINGTON, May 16, 1884. The Congressman nowadays who is kept up late by a night session, or a protracted meeting of his committee, or other things, told to the wives of young man of not more than 25, wear our national legislators as reasons ing threadbare clothes and looking as why their distinguished husbands do hard as if he hadn't seen a sober day for not get in before the 'wee sma' hours.' a month, came in with a little package has his morning slumbers disturbed by the market peddler, shouting as he passes through the streets: 'Strawberries! Strawberries! Pretty ber- pair of baby shoes, little things with the ries : red berries!' The would-be bottoms only a trifle soiled, as if they sleeper grumbles on being awakened had been worn only once or twice. by these continued howlings, turns 'Where did you get these?' asked the his heavy head on his pillow and pawnbroker, Got 'em at home,' replied wishes that the vegetable vender and the man, who had an intelligent face his berries were in Guinea; but when dinner time comes and the delicious them for our baby. Give me ten cents fruit, which has come within reach of for 'em, I want a drink.' 'You had bet his boarding-house keeper's pocket ter take the shoes back to your wife; book, is served to him, he forgets the the baby will need them,' said the pawn unhappy and uncharitable feelings he broker. 'No, s-she won't, because-behad in the morning when awakened, cause she's dead. She's lying at home and agrees with Izaak Walton that now-died last night.' As he said this perhaps God could have made a bet- the poor fellow broke down, bowed his ter berry than the strawberry, but he head on the showcase and cried bitterly never did. There are a good many ayou can laugh if you please, but I-I small land owners, among them many have a baby of my own at home, and I colored people, in the vicinity of swear I'll never drink another drop." Washington, who raise nothing be Then he got up and went into another sides strawberries. When that crop car. His companions glanced at each From all we can learn through our fails their land gives them nothing ; other in silence. No one laughed. The bottle disappeared, and soon each was exchanges and other sources of infor- but the crop seldom or never fails ensitting in a seat by himself reading a tirely, and though the berries are usually sold at a low price, the abund-newspaper. - Chicago Herald.
