NEWS SUMMARY RIVERS AND HARBORS. Principal Items of Appropriation by Eastern and Middle States. the House Commit CAPTAIN ISALAH RYNDERS, well-known in The House committee on rivers and harbor has completed consideration of the river and harbor appropriation bill for the next fiscal year. The bill appropriates \$11,399,200. The estimates as pransized by the anglineer in New York as "the old Democratic war horse," died in that city a few days since. He was eighty years old, voted for Jackson in 1828, and many years ago was a power in estimates as prepared by the engineers in lands and timber culture laws, and to amend charge of the various improvements amounted the homestead law.... The Senate further By an explosion in a soda-ash works near Syracuse, N. Y., one of eight immense dis-tilling tanks was blown seventy feet high and to \$31,507,630. Following are some of the Mr. Vance's amendment that no railroad landed thirty feet away. It weighed 10,000 appropriations for harbors : pounds. Many of the Bedridden Inmates Burned to a Crisp.

A Kankakes (III.) dispatch says that the south infirmary of the Illinois Eastern Hospital for the Insane was burned this morning at 4:25 A. M. The fire originated in the furnace room and had obtained a strong headway before it was discovered. The wood work being of Southern pine, it burned very rapidly. The building was occupied by fort yfive patients, six attendants and a night watchman. Seventeen patients in all are missing. All of the patients were infirm and incurable.
