P. W. STANSILL, Postmaster.

LOCAL DEPARTMENT.

The first day of Spring!

A little child of Mrs. Adcock, at Roberdel, died last Sunday.

Mr. LeGrand is somewhat "puffed up" and exclusive since his return from Raleigh, refusing to receive some of his best friends. Cause why—he's got the mumps.

The naval stores market is on a big boom. Wishart is paying \$2.75 for virgin and \$2.50 for yellow dip. Spirits are quoted at 50 cents per gallon in Wilmington.

Miss Blakey has received a part of her Spring goods, and has on exhibition the latest styles of hats and other ladies' goods. Read her new advertisement and go and examine goods and prices.

Mr. J. M. Allred, who has been superintendent of Midway factory for the past five years, has resigned his position there and gone to Granite Falls, in Catawba county, where he was tendered more lucrative employment.

Mr. A. C. Covington, postmaster at Roberdel, has sent in his resignation, and we learn that there are three applicants for the office. The Rads are hungry. We should not be surprised if Wannamaker gets disgraced and resigns.

Mrs. Sandford and Claude have returned from the Northern markets and are receiving new goods every day. They are too busy to write an advertisement this week, but you will hear from them in our next issue. Meantime go and see them.

We neglected last week to call attention to Mr. H. C. Watson's new advertisement. He has received a very fine display of Spring and Summer goods which he proposes to sell at "Rocket" prices, believing in the axiom that "quick sales and small profits" is the road to success.

Some of the bar-keepers are very wrath over the \$200 liquor license, and now declare themselves ready to stand shoulder to shoulder with the temperance people to carry the town "dry" at the election in May. If they retain their good intentions a lively campaign may be expected.

Messrs. Taylor & McNeill received last week, through T. W. Guthrie & Son, Agents, a check for \$847.18 from the Liverpool & London & Globe Insurance Co., that being the full amount for which they were liable under the policy. Such prompt payment, without any discount, is creditable to the company.

Mr. Funk has just completed a very fine portrait of H. C. Wall, Esq., which is now on exhibition in his studio. The portrait is an excellent likeness, with a fine artistic finish, and we repeat the criticism that it flatters the original. A portrait of Annie and Harry Wall is also in process of execution, which promises to be a fine piece of work of art.

Shad from the Pee Dee are now in our market two or three times a week and are very fine. They have a better flavor than those received from Wilmington and are cheaper. They are catching a great many shad and "round fish" at Mr. E. N. Ingram's fishery, at the Coleman mill, particulars of which you will find in an advertisement elsewhere.

Jobson—"How do like your new preacher, Bilkins?"
Bilkins—"Don't like to be in his company. He won't talk."
"Oh, he can't talk during the week."
"Can't? Why?"
"He talks so much on Sunday that it takes him all the week to get rested."

Capt. Everett has got the prettiest store room in town.

Mr. W. P. Stansill will rebuild on his lot in rear of the court house this summer. Mr. T. C. Leak will also put up a two-story brick building on his lot, and Messrs. W. T. Covington & Co. contemplate rebuilding, of brick. Work will begin on the new court house some time in May, perhaps; and if the woolen mill and hotel are put up this Summer there is plenty of work ahead for the masons and carpenters. Now if we could only have an academy built, after the plan submitted by Mr. Pennington, Rockingham could begin to put on city airs.

While on a recent visit to Wadesboro we took a look through the carriage and wagon factory of Mr. D. L. Saylor, and were shown some splendid work which he had on hand; not much, however, for his work has gained such a reputation that it is sold as fast as put up, and often he has orders far ahead. One acquainted with his methods of doing business is not surprised at his success. He uses nothing but the best, thoroughly seasoned timber, and does honest work. He is supplied with improved labor-saving machinery, and when he turns out a job it is just exactly what he represents it to be. He is thinking of establishing a branch house or agency in Rockingham next Fall, which we hope he will do. In the meantime, if you want anything in his line correspond with him.

Yes, Verily, but the Rejoicings Are Few and Far Between.

Dear beloved, there is more rejoicing in a printing office over one subscriber who pays up, than over the ninety and nine who do not.—Wadesboro Messenger.

Married.

At the residence of the bride's father on Randolph street, March 15th, by Rev. F. L. Townsend, Mr. O. L. Kinney to Miss Sina Smith.

On the 19th inst., at the residence of Mrs. C. E. Shaw in Pee Dee village, by Esq. Walter F. Long, Mr. Will H. Shaw to Miss Jennie Rainwaters.

Another Drug Store.

Mr. J. W. Griffin, of Monroe, has rented the Everett, Wall & Co. building, now occupied by Capt. Everett, and intends to open out a first-class drug store here about April 1st.—Capt. Everett will move into his elegant new building next week, and THE ROCKET office will be moved into the front room, upstairs, of his new building, as soon as convenient—next week, if possible. To Mr. Griffin we extend a hearty welcome to Rockingham, and we trust that he may find it as profitable as we are sure he will find it pleasant among our people.

Disgraceful.

A gentleman informs us that he saw ten drunken men on the streets at one time last Sunday, and ventured the assertion that more liquor was sold in this town on that day than on any day during the week. More than this, he took a peep into a room where six or eight negroes were playing cards. We dislike to give publicity to such facts concerning our town, but do so in the hope that the authorities will take some steps to improve the town government. Persons who have no regard for the Sabbath should be made to respect the laws. An efficient, fearless police system is badly needed. One man is not sufficient.

The Negro Exodus.

RALEIGH, N. C., March 16.—The negro exodus from this State is about to take the form of colonization of negroes in Arkansas. Negroes are holding mass meetings almost nightly, and negro orators and preachers are urging them to colonize. Negro preachers of this section are especially active in the matter, and issued a circular to-day calling a meeting to organize a North Carolina Emigration Association for the purpose of securing organized action toward colonizing all negroes in the State in Arkansas, where they are offered lands for a trifle. The circulars say that the white people don't want them here, and they have determined to go. It is complained that the election laws, the school law and other laws passed by the last General Assembly, were passed to crush them out. They propose to colonize on unoccupied lands in Arkansas, and follow agriculture.

Cleveland on his Way to Cuba.

RICHMOND, Va., March 19.—Ex-President Cleveland and party passed through this city this evening in a special car attached to the regular southbound train. The party was enthusiastically received at the depot by a great crowd of people.

COLUMBIA, S. C., March 18.—

A tragedy occurred just across the border Saturday, in North Carolina. A Mr. Payseur, grocer and distiller, suspected his wife of being intimate with one of his clerks. Upon returning home Saturday night after a short absence, his suspicions were verified. He procured a gun and shot both his wife and the clerk, killing them instantly. He at first resisted arrest, but finally surrendered to the sheriff.

An Imperative Necessity.

What pure air is to an unhealthy locality, what spring cleaning is to the neat housekeeper, so is Hood's Sarsaparilla to all at this season. The body needs to be thoroughly renovated, the blood purified and vitalized, the germs of disease killed. Scrofula, Salt Rheum, and all other blood disorders are cured by Hood's Sarsaparilla, the most popular and successful spring medicine.

Three men from Union county went to New York to buy counterfeited money recently, carrying with them a large sum in greenbacks. When they got to New York and into the "green goods" den they were robbed of all their money and turned into the streets at the muzzles of pistols. They telegraphed to a friend in Monroe for funds to get home on, which he forwarded to them, and they returned, a very sick crowd.

We have examined some of A. C. Covington's goods and pronounce them cheaper than any we have seen.

He has a large new stock of dry goods, notions, shoes, hats, clothing, &c., that he is selling below the market. You had better see him.

On returning home from church, yesterday at noon, Mr. Willis B. Dowd, found an object in the yard of Maj. C. Dowd's residence, that for an instant effaced all thoughts of the sermon from his mind. What his eye caught was a wicked looking little iron ball from which protruded a long, slender piece of fuse. It was a dynamite bomb, and there it lay by the side of the pavement curbing, within ten feet of the house.—Charlotte News.

Irregularity in meals, rest and sleep, will inevitably eventuate in costiveness and constipation. An admirable curative for these annoying ailments is Laxador, the famous remedy. Price 25 cents.

It is no wonder that so many mothers praise Dr. Bull's Baby Syrup. One of our best physicians pronounce it to be the ONLY safe remedy for children.

For Sale. One full-bred, beautifully laced Wyandotte hen, about a year and six months old. She will be shipped in a light coop to address upon receipt of \$1. Address C. W. Worley.

A TRUE TONIC.

When you don't feel well and hardly know what ails you, give B. B. B. (Bardic Blood Balm) a trial. It is a fine tonic. T. O. Callahan, Charlotte, N. C., writes: "B. B. B. is a fine tonic, and has done me great good."

L. W. Thompson, Damascus, Ga., writes:

"I believe B. B. B. is the best blood purifier made. It has greatly improved my general health."

An old gentleman writes: "B. B. B. gives me new life and new strength. If there is anything that will make an old man young, it is B. B. B."

P. A. Shepherd, Norfolk, Va., August 10th, 1888, writes: "I depend on B. B. B. for the preservation of my health. I have had it in my family now nearly two years, and in all that time have not had to have a doctor."

Thos. Paulk, Alapaha, Ga., writes: "I suffered terribly from dyspepsia. The use of B. B. B. has made me feel like a new man. I would not take a thousand dollars for the good it has done me."

W. M. Cheshire, Atlanta, Ga., writes: "I had a long spell of typhoid fever, which at last seemed to settle in my right leg which swelled up enormously. An ulcer also appeared, which discharged a cup full of matter a day. I then gave B. B. B. a trial and it cured me."

Charlotte Dry Goods.

Cpt. T. L. Seigle has returned from the Northern markets, where he has been making the Spring purchase. No care or pains have been spared in the selection of the most desirable things now on the market. They are all in and opened to the public. Their most favorable reception in this market convinces us that the styles are of the most approved and that the prices are right. Besides the great variety of Dress Goods in the piece, we are showing a line of imported French Robes.—They are most beautifully designed and entirely new. There are no two of them alike, which is a great satisfaction to many. In trimmings we have nothing but the very newest things. The Persian Bands, Ribbon Bands, Embroidery Bands, and the Fancy Trimming Silks will be the rage. Fringes have come back and are to be seen in all their pristine beauty. Large buttons have once more caught the favorable twinkle of the public eye. Beaded Wraps are all the go; prices range from \$5.00 to \$20. Gloves have narrow stitching on the back, and Tan still leaps. Blouse Jerseys are destined to be very popular in fancy stripes. Short-handed Parasols are passe.—Buy a long one with the ribs trimmed in ribbon. Send a sample order.

Mr. H. C. Eccles, of the Central Hotel, yesterday, bought a lot of hens that are almost equal to turkeys. There were 16 in the lot, and they averaged 6 pounds each. Three of them weighed 8 pounds each. They were ordinary country hens. Mr. Eccles says they are the finest he has known in his eighteen years experience as a hotel keeper.—Charlotte News.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to the taste. It soothes the child, softens the gums, allays all pain, relieves wind, colic, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

WASHINGTON, March 16.—A dispatch from Phoenix, A. T., says the appointment of General Lewis Wolley, of Tucson, as Governor of the Territory was officially announced in the Legislature yesterday. The leading Republicans of the Territory are indignant over the appointment and claim that he is wholly unfit to serve the people in that capacity. Every Republican in the Council is strongly opposed to his appointment.
