The registration books will close next Saturday, July 21st, [to all except those who become entitled to register between then and election day. Reports to date indicate that there is a pretty full registration of the white voters. There are of course some few left, and they should not neglect this important matter.

It was reported here Saturday that Rockingham was to have a visit on Monday from Governor Russell. We don't know how the confusion of names was started but it proved to be a "handsomer man," Dr. Reid Russell, of Charlotte, who was here several days on a professional visit.

The Rockingham band and a number of our people attended the Aycock speaking at Troy yesterday. A special train was provided for the band from Aberdeen, so that they could return in time to go with the Sunday School excursion to the beach this morning. Just before going to press we hear that a murderous assault was made on Mr. Ben Ingram, of Upper Richmond, yesterday afternoon. The particulars as we learn them are that the assault was entirely unprovoked—that the negro became incensed because Mr. Ingram refused to sell him a coon skin on credit and struck him a severe blow on the shoulder with a hoe before he could defend himself. There will be a cheapening of coon skins in this settlement if these unprovoked assaults upon white men by negroes continue.

Our paper is largely given to political matter because that is about all that people are interested in now. There are just two more weeks till the election, and we will all proceed to go crazy for that length of time, as we are justly entitled to under the circumstances. It isn't every election that the white folks gain independence. Let's all be good natured idiots, however, hold our temper and do no violence, unless necessary to defend our race and our rights. The victory is already ours. We have only to keep cool, do our duty and celebrate the victory.

H. I. QUICK RESIGNS.

The Last of Negro Justices of the Peace in Richmond County.

The Legislature of 1895 appointed several negro justices of the peace in Richmond County and Clerk of the Court Z. F. Long also appointed several, about ten in all.

The last one surrendered his office last Saturday by resignation to Clerk of the Court, Capt. W. I. Everette, which he said he had been advised to do by his friends, so that to-day there is not a negro magistrate in all of Richmond County and it may be added that there never will be. The day of negro magistrates was short and has expired so far as this county is concerned.

The one who resigned Monday was H. I. Quick, of Black Jack township.

There is just one left in Scotland county Chas. McLeod, of Laurel Hill township.

An Inexplicable Phenomenon.

We have reported to us on the very best authority that a number of good people at Roberdel witnessed an apparently inexplicable phenomenon last Friday afternoon. At about an hour by sun on that afternoon some one noticed a volume of smoke, about such as would come from an ordinary stove, curling up from the top of a green spruce pine in the yard of the Methodist church at Roberdel. It attracted a great deal of attention and was watched with much interest by a number of people for about two hours, or until it was obscured by the dark. No one has yet been able to suggest an explanation of this curious phenomenon. It was in the church yard, where no fire was near it, and curling up from a green pine tree. Can any one explain it?

FROM ELLERBE.

All is quiet since the Democratic Rally. The Democratic candidates spoke Saturday afternoon to an appreciative audience. We hope that many may follow the example of those who, laying aside all other issues, come out boldly on the side of White Supremacy.

A crowd of young people from Gibson's Mill spent the afternoon of last Sunday at the spring, enjoying the cool shade and good water.

Prof. Criddlebaugh has returned from a pleasant sojourn among friends and relatives near High Point. He is at work in the interest of his school which begins 6th August. We hope that parents may not be so absorbed in the political issues of the day as to lack interest in the educational advantages of this institution. The success of the last term should speak loudly for a full attendance of boys and girls.

Visitors are coming to the hotel. There is no better place for rest and quiet for those tired of the long hot days in the town. There will be preaching here next Sunday by Rev. A. McClaurin. Rev. Lacy Little preached at Mt. Carmel last Sunday. We hope he will be at this church during the summer. "H."

We regret very much to learn of the death of Mrs. Armada Mc Niell which occurred in Rockingham last week. We who have known her from our early childhood days can say truly a good woman has left us. We extend our sympathy to the bereaved family. Mrs. John Mauer has been quite sick for several days. Green Leaf.

CAGLE RE-ARRESTED

Charged With Counterfeiting—First Case Against Him Continued to Saturday, August 4th.

The case of U. S. vs. Eb Cagle, charged with retailing, moonshining and assaulting an officer, was called before Commissioner Kelley Tuesday afternoon.

The defendant announced his readiness to try.

The prosecution asked for a continuance for lack of material witnesses.

On examination they acknowledged that no effort had been made to get the witnesses, and the defendant himself volunteered to have the government's witnesses here Wednesday morning if they would give him a trial, but the case was ordered continued till Saturday, August 4th.

He gave bond for his appearance at that time, but as soon as this was done he was re-arrested by a detective and an officer from Monroe on a warrant issued by the commissioner at that place charging him with passing a \$1.00 silver certificate in Wadesboro which had been raised to a \$10.00 bill by pasting an 'o' after the 'r'. The Wadesboro Messenger reported the transaction last week, and said the clerk discovered the counterfeit as soon as Cagle went out of the store, that he called him back and Cagle promptly took the bill back, remarking that he knew "the d— rascal who passed it on him."

He was taken to Monroe Tuesday night.

We give choice of any 40c. designs, and will send illustrations from which selection may be made. Our object is to advertise Quaker Valley silverware. We believe that the most effective way of doing this is to get samples into the homes of the people. Ladies please write to-day State that it is your first request, or one of our souvenir gifts. Quaker Valley Mfg. Co., Morgan and Harrison Sts., Chicago.

Aycock Coming to Rockingham

The red shirts who went to Troy yesterday left here with the intention of arresting Governor Aycock and bringing him over to make us a speech last night, but they found him too feeble for the ordeal. He gave them his regrets at not being able to speak in Richmond before the election, but he knew the folks here were all right any way, and when the election is over he says he will take pleasure in coming over here where the determination to throw off negro rule had its first expression, and hold a jollification meeting with us to celebrate the great and permanent victory.

There is a new registration for this election. Unless you register specially for this election you cannot vote. The last day on which you can register is Saturday, July 21st.
