

AN INVITATION

FROM THE

THE RICHMOND COUNTY DRUG CO.

TO SEE THEIR

MAMMOTH DISPLAY of HOLIDAY GOODS

We wish to extend to all a cordial invitation to come and have an early view of our magnificent line of Holiday Goods. We welcome those who come to look as well as those who come to buy. We have goods worth seeing and worth showing. We wish this invitation to be as cordial and sincere as though we extended it personally to each one.

Our wish is that you may see all the goods while they are to be seen. Many of the particularly attractive items of our stock will not be here long, for buying is beginning early this season. We shall be sorry if you fail to see our full line, and therefore urge you to come as soon as you can. It will be our pleasure to show you the goods, even though you are not ready to make selections. Our Holiday line is by far the largest and most select ever brought to Rockingham. A look will convince you of this fact. We bought this line from the largest dealers in Holiday Goods and Novelties in the United States, and bought direct from samples and not from catalogue.

We give below a general outline of our stock. This is necessarily condensed but will afford many suggestions. A plan that may help you will be to take a lead pencil and make a list of those you have to buy for, and then go carefully through the list of goods and set down under each name such items as may be generally suitable. Bring the list with you when you come to the store and inspect the actual goods. This method will economize your time and may save you a lot of fruitless thinking. We cannot give you here an adequate idea of the assortment you will have to pick from, but you can find in the list many articles which will prove just what you want, and you can select the grade and price desired when you come to the store.

All wish to give at Holiday time; it is WHAT TO GIVE that causes trouble and worry. This difficulty will be lessened when you have before you as varied and ample stock as ours. We worried a little for you months ago when we were making our Holiday selections, and believe that the thought then given will make it easy for you to choose suitable gifts now. Our experience in Holiday buying is such that we can tell pretty well in advance what goods are going to be most widely sought.

Cut Glass.
