must admit, it was, not within my hearing or sight. I have no higher aspirations than to pass my days in peace with my family around me, and take no part in politics, which any private citizen can take with the ut most propriety.

"I have never spoken to anybody on the subject of a fourth candidacy. I have never written to a slagle political friend one way or the other, not have I been written to or spoken to by them. There is not a political leader of any prominence endeavoring to advance any movement to nominate me in any state, so far as I have been advised, nor do I anticipate any such effort will be made by any leader, prominent or obscure, in any locality in the country.

"I have on several occasions with in a year undertaken to perform the labor which usually falls to the private in the ranks, but there has not lurked within me the hope of any reward save the consciousness of having made an effort to assist in bringing about salutary conditions in the party."

LATER- Mr. Clev land has given out another interview in which he says that the interview as given above is grossly maccurate, so that his attitude towards another nomination is in as much doubt as befeze.

SINKING DOWN TO SEA LEVEL.

Boston and Surrounding Territory Said To Be Getting Lower.

Boston, June 20 .- According to a former member of the Metropolitan terday he was wheeled in a bath chait water board, Boston and the surround about the corridors of St. Joseph's ing territory are slowly sinking down college, which he founded with money to the sea level.

The statement is made in a report on the Charles river dam. The subsidence is estimated to be at the rate cardinal robes, and made a farewell of about 1 foot in 100 years. The present plane used as a base for the Boston engineers has sunk to 79 feet be low mean low water, and throws out burled at St. Joseph's college. all survey calculations for the state. Various landmarks along Massachusetts bay have sunk from 1 to 2 feet in 90 years.
