

THE COUNTY NEWS.

ROBERDEL NO. 1

Mr. Russell Dunn, an aged man, was found dead in bed, at Mr. J. J. Elliott's, early Wednesday morning. He came to Mr. Elliott's house a few days ago and told him that he was going to die, and wished to die there. He had been unwell for some time. On his person was found five or six dollars in money and a good note for 11 or 12 dollars. His home was on Jackson Creek, 17 miles northeast of this place. His wife died about two months ago. Mr. Dunn left a large family of children, all grown.

Notwithstanding the severity and changableness of the weather, the health of this place is good.

There seems to be a plenty of mill help. Several more families are to move in in a few days.

Mr. E. B. Stogner has sold out his barber shop to Mr. Aulay Crouch. Auley is a student in the high school here. He is a close student and will make his mark.

Miss Stella Hutchinson, one of our teachers, has been quite sick at the home of Mr. J. J. Bennett for several days.

Rev. A. B. Caudle, evangelist of the Pee Dee Association, will conduct a series of meetings at the Baptist church here, beginning on the second Sunday in March. He will hold a meeting and organize a church at Hoffman, about April 1st.

Mr. Tom Horne was out at his farm this week. We were glad to meet him.

MT. OLIVE

Mr. Editor: We are under obligation to you for printing our dots last week, and hope you will find this fit to go in your next issue.

Rev. Henry H. Covington will preach at the church at this place next Sunday.

Mr. Robert Pate was visiting in the settlement last Saturday night and we think we hear the distinct tingle of wedding bells.

We are sorry to say that good roads are out of the question for us. The "bosses" say that our mountains are too steep for their weak squads to drag down. But if the town of Rockingham will spare us the "silly rooster" we have another large game that we will put with him, and drag down our soft sand hills in a few days. A crowd of girls spent Sunday at the community, and the boys thought they were having another leap year party.

Misses Willie Abernethy and Emma Long were in Rockingham Saturday.

Mr. T. J. Gibson went Gibson's Mill Saturday to see his brother's wife, Mrs. James B. Gibson, who is quite sick with pneumonia. Glad to hear she is better.

Weak Heart Action

There are certain nerves that control the action of the heart. When they become weak, the heart action is impaired. Short breath, pain around heart, choking sensation, palpitation, fluttering, feeble or rapid pulse, and other distressing symptoms follow. Dr. Miles Heart Cure is a medicine especially adapted to the needs of these nerves and the muscular structure of the heart itself. It is a strengthening tonic that brings speedy relief. Try it.

"For years I suffered with what I thought was stomach trouble, when the doctors told me I had heart trouble. I had tried many remedies, when the Dr. Miles' Almanac came into my hands, and I concluded to try Dr. Miles' Heart Cure. I have taken three bottles, and now I am not suffering at all. I am cured and this medicine did it. I write this in the hope that it will attract the attention of others who suffer as I did."
