Campaign literature is in evidence.

Did Cataline his own pants?—Henry Blount. Did the Catskill mountains?

A Pittsburg jury has decided that a kiss is not worth \$2,000. A Rockingham kiss is.

In the death of Rev. Dr. L. W. Crawford the Methodist denomination has lost one of its ablest ministers.

Our preacher-governor will be here Sunday. Don't be afraid to turn out to hear him. He will not hurt you.

When the average American awakes in heaven he will be disappointed unless he finds an alarm clock and a cup of coffee.

Women are great as bargain hunters. Here is a chance for some of them. In Baltimore \$75 funerals have been reduced to \$50.

What's in a name? Abraham Lincoln Brick has been nominated for congress in an Indiana district. Wonder if he is a gold brick?

The way they are hauling lumber and brick it will not be many more months before Col. John McNair's orchestra will be heard in our new opera house.

This way of killing chiefs of police around Fayetteville is getting to be monotonous. The prohibition law of carrying concealed weapons should be rigidly enforced (?).

It is said that the south is so torn up over agitation of different kinds that emigrants have almost stopped coming here to live. And a good many of those already here are talking of leaving.

It is a long lane that has no turn. At last plans have about matured for an elegant three-story brick hotel for Rockingham. Let the good work move on Rockingham is waking up sure enough.

The Wilmington Star man should not get discouraged. If the state goes prohibition and Wilmington is dried up, he has the consolation of knowing that there is a bar at the mouth of the Cape Fear river.

According to prohibition papers, the time will soon be here, when men will wander everywhere a-looking for their beer. "Ain't it awful!" is the query, whenever they stop to think, "The bars are closed—the town is dry—we cannot get a drink!" Respectfully dedicated to the Wilmington Star man.

It looks like a shame when a corporation, especially a railroad corporation, has to get before a body of men and get down on their knees, as it were, and beg them to let them stop a thing that is not paying. And they call this a free country. No wonder railroad work is being stopped in North Carolina.

That was a big time they had in Wadesboro last Saturday. Governor Craig was there; Governor Kitchin was there, but Governor Horne was not, and there is where he missed it. Both of the other governors made tremendous gains. Great is the hunt for office, and great are the dear people before the election. Oh, mud!

**ROBERDEL NO. 1**

Feb. 21st—Your correspondent having been sick is now "froze up" so has not been able, of late, to gather either much news or money but people will take the Anglo-Saxon, and I find them generally able to pay for it. But it takes at out all the money to pay for wood at the present prices.

Mr. Wm. Green, aged about 65 years, died here Monday and was buried at Bear Branch cemetery. He had been a great sufferer for a long time. He was a member of the Baptist church for many years and is now gone to his eternal reward.

Mrs. Alex McIntosh has pneumonia. She was sick with the same a year ago.

Will Ormsby moved this week to Steeles Mill. He has only been here a few months.

Mr. R. H. Crouch has been awarded the contract for carrying the mail from Rockingham to Dockery's Store.

Mr. J. W. Currie is improving his place by the planting of shade trees. We understand he was looking for roses also. Better not, Mr. Currie. The boys will come to admire the roses and will take away your daisies. The members of this family are musicians of a high degree and whoever has a soul would be delighted with an hour spent at this home.

We hear Mr. Coppedge's sermon preached here highly spoken of. But that is not strange, for his sermons are all enjoyed by the better class of people as well as his contributions to the Saxon. I am afraid, however, from appearances, that a good many people failed to read his article on "Reverence."

Our friend James Gay, after several months of wandering, has returned. XXX.

**Suffering and Dollars Saved**

E. S. Loper, of Marilla, N. Y., says: "I am a carpenter and have had many severe cuts healed by Bucklen's Arnica Salve. It has saved me suffering and dollars. It is by far the best healing salve I have ever found." Heals burns, sores, ulcers, fever sores, eczema and piles. 25c at all druggists.

**GIBSON'S MILLS**

As I haven't seen any dots from Gibson's Mills in some time, I thought I would send in a few. Rev. A. J. Groves filled his regular appointment at Green Lake Sunday. He will preach there the third Sunday in March at 3 p. m. instead of the fourth Sunday.

We are glad to say that Mrs. J. B. Gibson, who has been very low with pneumonia, is slowly improving.

Mr. Charlie Terry, of Red Springs, is visiting friends and relatives in this neighborhood.

We are glad to hear that Mr. Scarborough's family, who have been very sick with grippe and pneumonia, are getting better.

Come again, Gobbler, we are glad to hear from you. Gobbler oftener. We hope your scratching ground is as good in Wolf Pit as it was on Rocky Fork.

Oh, Gobbler, don't give yourself any trouble about Col Chance. He is going to run a three-horse farm, and if cotton mills do shut down nobody will suffer.

The Gibson Mill school will close March 6. The entertainment will be on Saturday night, the 7th. The public is invited to attend.

Miss McRae is a fine instructor, and we all hate to part with her. We wish her much success. SCHOOL GIRL.

**PROSPECT**

Our school will soon be out. We are all sorry that it will stop. There was preaching at Beaver Dam Sunday by the pastor, Rev. A. J. Groves.

Mr. C. Terry, of Red Springs, is up in the sand hills for a few days.

The farmers have not done much plowing on account of so much rain.

Mr. John H. Webb went to Anson county last week on business.

Miss Laura McLean spent Saturday and Sunday at home with her parents.

There will not be preaching at Mark's Creek next Sunday. Won't some one start a Sunday school at Prospect. PLOW BOY.

The matrimonial situation has taken a move upward. Buggy riding, buggy buying and house building is the program among our sporting young men. Mr. R. L. Dawkins, who is among the latter, is building a room or two to his house. HUSTLER.

Feb. 28.—Mrs. Ann O'Brien died at the count home last Sunday morning. She was buried at Green Lake church cemetery Monday. She was the widow of the late Rev. Jas. O'Brien.

Mr. Dalton Long has been confined to his room for the past two weeks with boils.

Mr. Nelson Gibson has the grippe.

Misses Emma Long and Millie Abernethy were visiting Mrs. Margaret McDonald's last Sunday. On returning the mule became frightened and threw the ladies from the buggy. Miss Abernethy was hurt, but not seriously. HUSTLER.

Don't forget Hinson Bros auction sale of carriages and buggies Saturday, Feb. 29, in front of the court house.

**To All Poorly Paid Men**

What does pay day mean to you? Perhaps you get just enough to carry you through the month without a dollar to spare. Perhaps you don't get even this much. If such is the case the International Correspondence Schools, of Scranton, Pa., would like to get in touch with you. They have raised the salaries of hundreds of discouraged men and are at this very moment helping hundreds of others to better themselves. Salary raising is the specialty of the I. C. S. If you would like to have your salary raised, drop a postal to

**JOHN SMITH**  
109 Washington Avenue

He will show you how easily the I. C. S. can help you secure promotion. If you are interested, write the postal NOW. Don't put it off, you'll forget it. NOW is the time.

Governor Glenn will talk in the Methodist church here next Sunday morning. At 3 o'clock in the afternoon he will deliver an address at the court house. Those desiring to hear his excellency will now have the opportunity.

**Weak Women**

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

Davis & Son make a specialty of working harness and every set turned out is of honest material and conscientious labor throughout. Do not buy heavy harness anywhere until you see what E. S.
