The burning of the graded school building in Ohio in which 185 children lost their lives, should be a warning to other towns. Has the building here any means of exit with the exception of the front and back doors? Is not the back door kept locked all the time? People should be careful. Fire is like lightning—you can never tell where it is going to strike.

**Time Drawing Near**

We intend sending out statements to subscribers who are due us for this paper and will make every effort to get our books in such a condition that we will not have to drop any names. April the first is when the new postal regulations go into effect, and we will be denied to send the paper to any person who is due for one year's subscription. We do not want to lose a single subscriber, but if on the first day of next April you are due us one year's subscription your name will be dropped. Don't wait for a statement. Send us a dollar and we will give you credit.

Remember that when the stomach nerves fail or weaken, dyspepsia or indigestion must always follow. But strengthen these same weak inside nerves with Dr. Shoop's Restorative, and then see how quickly health will again return. Weak heart and kidney nerves can also be strengthened with the Restorative, where heart pains, palpitation or kidney weakness is found. Don't drug the stomach, nor stimulate the heart or kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell. L. G. Fox.

**Sunday School Superintendents**

To Sunday School Superintendents and the Public Generally—

Notice is hereby given that there will be an interdenominational Sunday school convention held at Mizpah the 5th Sunday in March. Speakers pertinent to the occasion will be present.

W. H. ROBERTS, President.

Tickling or dry coughs will quickly loosen when using Dr. Shoop's Cough Cure. And it is so thoroughly harmless, that Dr. Shoop tells mothers use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. L. G. Fox.

**Daughters of Liberty**

A council of the Daughters of Liberty, the woman's branch of the Junior Order, was instituted here last Friday night by National Vice Councilor, J. N. Maxwell, of Salisbury. The new council started off with very bright prospects, 57 members taking the obligation at the first meeting. We understand quite a number have since signed the charter list, which makes it already one of the largest councils of the order in the state. Persons qualified will be allowed to join as charter members until the last day of this month.

Here comes the spring winds to chap, tan and freckle. Use Pinesalve Carbolized, (acts like a poultice) for cuts, sores, burns, chapped lips, hands and face. It soothes and heals. Sold by Ludolph G. Fox.

**LEDBETTERS**

Good health prevails generally in the village at present

We think there is one man here that will go whirling in the old fiddlers' convention at Rockingham.

The new road between here and Currie's shop is now ready for travel. It is not a model, but it's a decided improvement.

Supt. Z. Beale has been initiating his horses to his new ploughing machine. It work like a top and turns land surprising.

The second quarterly meeting for Roberdel circuit will be held here on Saturday, March 21. There will be preaching on the following day, which is the fourth Sunday.

W. G. Terry and L. S. Gibson have recently finish'd their homes with elegant organs. That is right. Make music and be merry, but don't overheat yourselves, ha, ha.

Last week there was a man canvassing the village with gasolene smoothing iron. This week we have a man selling patent lamp protectors.

The writer with several others from the village went to Rockingham last Sunday to hear Gov. Glenn speak. We were delighted with his frank way of expressing himself.

Indications are that spring is close by, as some of our neighbors are preparing their gardens. Farmers are also taking advantage of these beautiful days in the way of preparing their lands.

Mr. A. D. Scorbore, after being compelled to suspend school for two weeks on account of sickness in his family, resumed his duties last week. The school will soon come to a close and many little hearts will be made sad.

**SUBSCRIBER.**

\$100 paid by Dr. Shoop for any recent case of gripe or acute cold that a 25 cent box of Preventics will not break. How is this for an offer? The doctor's supreme confidence in these little Candy Cold Cure Tablets—Preventics—is certainly complete. It's a \$100 against 25 cents—pretty big odds. And Preventics, remember, contain no quinine, no laxative, nothing harsh nor sickening. Pneumonia would never appear if early cold; were always broken. Safe and sure for feverish children. 48 Preventics 25c. Ludolph G. Fox.

Miss Fannie Louise Neal, who underwent an operation for appendicitis several weeks ago in Salisbury, returned home last Friday. She has been getting along exceedingly well since the operation and will soon be entirely well again.—Laurinburg Exchange.

A ladies' fur was found Sunday. Ask Dave Crump for it.

**PAIN**

Pain in the head—pain anywhere, has its cause. Pain in periods with women, same cause. It is usually, at least, says Dr. Shoop, and to prove it he has created a little pink tablet, called Dr. Shoop's Headache Tablets. Its effect is charming, pleasantly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brise your anger, and doesn't get red, and sweat, and pain your. Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

**Heart Troubles**

The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, anxiety, nervousness, rheumatism, etc. weaken the heart. The result is shortness of breath, palpitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

"I had LaGrippe last fall as I thought in a mild form. I was weak, tired feeling, and short of breath; could hardly go about, and a good deal of the time sort of an asthmatic breathing and extremely nervous. I began taking Dr. Miles' Heart Cure and Nervine and now I feel so much better in every way. I am so thankful that I began taking this medicine, and shall not hesitate to tell others how much good it has done me."
