

Entered at the Rockingham postoffice as second class mail matter.

Died in this city, some time ago, the confederate monument boom, after an illness of several months.

Let's get up a celebration for the Fourth of July in honor of our new hotel and opera house, and let's don't wait until the fourth to start.

Up to last Saturday, in the race for governor, Craig had 280.93 votes; Kitchin 295.51; Horne 110.56. Somebody is going to be defeated certain.

How would a nice, cool, shady seat in Rockingham's new park up in the Pee Dee woods, with plenty of breeze blowing off Pee Dee bay, feel these "turrible" hot days?

A former citizen of the town said the other days that Rockingham was making such rapid strides, that it would not surprise him to see a line of street cars here pretty soon. These people here are hustlers—when they start.

Charlotte has been bragging so much about her hotel facilities that we thought she could accommodate at least 10,000 people at one time, but it is not so. They are calling on the residents of that lively town to come to the rescue and help the hotels out.

Thinks It Saved His Life
 Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventative of pneumonia and healer of weak lungs it has no equal. Sold under guarantee at all druggists, 50c and \$1. Trial bottle free.

Spring, Summer and Every Day Poet

It is said that there is a difference between a spring poet, a summer poet and an every day poet. If there is we do not know the difference. At any rate, we are publishing two pieces from two different poets this week. Read them:

BOOZERS ARE DRY.
 Old Booze is dead and gone to rest,
 His mouth is parched and dry,
 His little jug is no longer filled
 With brandy, corn or rye.

Old Booze's fate is very sad
 But sadder still the fact,
 That all the boozers in the state
 Are dead by legislative act.

Prohibition won the day
 And that's the reason why
 That Booze and boozers everywhere
 Are hollering out "I'm dry."

HUSH, LITTLE BLOCKADER
 Hush, little blockader, don't you cry,
 The revenue men 'll be gone by-and-by,
 When they're gone you can make you
 a "horn."

Make it from apples or make it from
 corn.
 So hush, little blockader, don't you cry
 You can make your liquor bye and bye.

Consumptives Made Comfortable
 Foley's Honey and Tar has cured many cases of incipient consumption and even in the advanced stages affords comfort and relief. Refuse any but the genuine Foley's Honey and Tar. Ludolph G. Fox.

New Brick Plant
 Mr. S. R. McIntosh has opened up a brick yard about three miles north of town. He is making brick at present by hand, mostly as an experiment. As soon as a kiln is burned he intends putting in first class machinery in all respects and will soon be able to furnish builders with all the brick needed. Messrs. Thompson and Williams, formerly with Mr. W. P. McRae, are with Mr. McIntosh.

OLD HUNDRED
 Times are very quiet in the sandhills. Everybody is pretty well up with their work and crops are looking promising. We are having nice seasons.

This community was saddened by the death of Mrs. F. M. Weatherly, of Bishopville, S. C., Thursday, June 4. She was a daughter of Mr. and Mrs. B. F. Morgan. Her remains were brought home Friday. The funeral services were conducted at the house by Rev. Mr. Fetter and was laid to rest at home.

She leaves a husband and four children, a mother, father, two sisters, four brothers, and a lot of relatives and friends to mourn after her. But we feel assured that our loss is her gain.

She was about 25 years old and had been confined to her bed five months. She said she would never get up again; that she was ready and willing to die at any time her Savior saw fit to take her home where loved ones never part.

It is hard to give up our loved ones and friends, but it is a great consolation to know that she died in the arms of Jesus. The family have the sympathy of the community in their bereavement.

Miss Minnie Gibson's school closed at Rachel school house, May 29, with a picnic at the Polly bridge. There was a large crowd, well filled baskets and a nice time. A SANDHILLIAN.

The Best Pill Ever Sold
 "After doctoring 15 years for chronic indigestion, and spending over two hundred dollars, nothing has done me as much good as Dr. King's New Life Pills. I consider them the best pills ever sold," writes B. F. Ayscue, of Ingleside, N. C. Sold under guarantee at all druggists, 25c.

A Narrow Escape
 Mr. Tom Meacham came very near losing his life last Friday night. He started to cross the trestle at Steele's mill and when about half way he saw a freight train approaching. He did not have time to come back nor could he make it to the other end, so he jumped off, falling about 20 feet. One of his ankles was knocked out of socket, otherwise he was uninjured.

Pineules for the kidneys. 30 day's trial \$1. Guaranteed. Act directly on the kidneys and bring relief in the first dose for backache, rheumatic pains kidney and bladder trouble. Invigorate the entire system. Sold by L. G. Fox.

The First Bloom of the Season
 We were shown Thursday morning a cotton bloom, the first of the season. It was raised by Mr. Needham Hasty, on Mr. H. C. Watson's land on Watson Heights. Col. Watson says the Heights are not only a good place to live but a good place to raise anything you want to sell.

Pineules for backache, little golden globules, easy and pleasant to take. Act directly on the kidneys, purify the blood and invigorate the entire system. Best for backache, lame back, kidneys and bladder. 30 days trial \$1. Guaranteed. Sold by L. G. Fox.

The thief has taking ways, but no bring back ones.

No Humbug
 No humbug claims have to be made for Foley's Honey and Tar the well known remedy for coughs, colds and lung troubles. The fact that more bottles of Foley's Honey and Tar are used than of any other cough remedy is the best testimonial of its great merit. Why then risk taking some unknown preparation when Foley's Honey and Tar costs you no more and is safe and sure. L. G. Fox.

In Memoriam
 Departed this life on Friday, May 29, 1908, Mrs. Margaret Jones, relict of the late John Jones, aged 83 years.

Mrs. Jones was the mother of eleven children, six of whom are now living—one daughter, Mrs. B. H. Hancock, at whose residence she died, and five sons, Messrs. Emerson Jones of Roberdel No. 2, Sam Jones, ex-sheriff of Moore county, Nelson Jones of Jackson Springs, Lawrence Jones, of Louisiana, and Allen Jones, of Alabama.

She had been a consistent member of the M. E. church South for 65 years and served her Lord faithfully to the end.

Mrs. Jones was a good woman and was loved by all who knew her. She died as she lived, happy in her faith in Christ.
 A FRIEND.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Foley's Orino Laxative for chronic constipation, and it has proven without a doubt to be a thorough practical remedy for this trouble, and it is with pleasure I offer my conscientious reference." L. G. Fox.

Littleton Female College
 We call attention to an advertisement of Littleton College and Central Academy which will be found in this issue of our paper. Littleton College has had during the past year a patronage of 285 pupils, 258 of whom were boarding pupils.

Central Academy is a very successful school of great promise and is one of the kind so much needed in every state in the union. We know of no educational work that is more desirable than this kind.

Born in Iowa
 Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by all druggists.

The winter of our discontent is made up of melancholy days.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop, Racine, Wis. Not a grain of real coffee in it either. Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Palmer, Diggs & Co.

Biblical Baseball
 Eve stole first, Adam second, St. Peter umpired the game. Rebecca went to the well with the pitcher, While Ruth in the field won fame; Goliath was struck out by David, A base hit made on Abel by Cain, The Prodigal Son made one home run, Bro' Noah gave out checks for the rain.

Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." Foley's Kidney Remedy works—wonders where others are a total failure. L. G. Fox.

The chronic kicker should take a day off occasionally and practice on himself.

Stop That Cold

To check early colds or Grippe with "Preventics" means sure defeat for Pneumonia. To stop a cold with Preventics is safer than to let it run and be obliged to cure it afterwards. To be sure, Preventics will cure even a deeply seated cold, but taken early—at the incipient stage—they break or head off those early colds. That's surely better. That's why they are called Preventics. Preventics are Little Candy Cold Cures. No Quinine, no physic, nothing sickening. Nice for the children—and thoroughly safe too. If you feel chilly, if you sneeze, if you ache all over, think of Preventics. Promptness may also save half your usual sickness. And don't forget your child. If there is feverishness, night or day. Haven't probably the Preventics' greatest efficiency. Sold in 5c boxes for the pocket, also in 25c boxes of 48 Preventics. Insist on your druggist giving you
