## PEEBLES CASE MAY BE POSTPONED

Halifax Docket Crowded and Attorney for Defendants Looks for Delay in Noted Trial.

Goldboro, July 23.—In an interview with Hon. W. S. O'B. Robinson, one of the attorneys for the defendants, C. A. and G. W. Brown, editors of the Goldsboro Record, and Geo. A. Norwood, president of the National Bank of this city, who were recently served with papers by the sheriff of this county, citing them to appear in the Superior court, Halifax county, at the August term, in a damage suit instituted against them by Judge Peebles for \$20,000, Judge Robinson stated that the court calendar for this term of court had not as yet been set and he could also state upon good authority that the case would not receive a hearing at this term of court, as the civil docket is crowded with other cases.

## New Buildings

Mr. C. M. Dickens has just secured the contract for the erection of a new two story brick building for Mrs. J. K. Jenkins. The new building will be erected next to Mrs. Jenkins present store building and will be occupied by Mrs. Jenkins herself.

W. D. Tillery has also let the contract for remodeling the front of his dry goods department. New windows will be installed and the brick work of the front will be rebuilt with pressed brick.

## Watermelon Party

Miss Irene Cannon gave a watermelon feast to a party of her friends on last Friday night. The party met at the residence of Mrs. Charlena Hart in Rosemary and walked over to Mr. Cannon's farm, where they had a general good time. Refreshments were principally watermelon but canteloupes and peaches of the most delicious kind were also served.

Those enjoying Miss Cannon's hospitality were Miss Annie Edgerton, of Kenly, Virginia and Charlena Hart, Lucille Ramsay, of Newport News, Minette Marshall, Evelyn and Mabel Boyd, Winifred Beckwith, Addie Belle Gammon, Elizabeth Bagley, Miss Bowen, Mr. and Mrs. G. L. Hayes, Messrs. Monroe Jenkins, R. L. Towe, John Hassell, Clarence Grimmer, R. L. Dickens, George Carmichael.

## Ladies Aid Society Organized

The Roanoke Rapids Baptist church has organized a Ladies Aid Society and it has been divided in five circles.

Circle No. 1, met at the home of Mrs. T. D. Parker, leader, last Thursday night and there were 13 members present. The society was called to order by Mrs. Parker and she had some selections sung, then reading of the scripture and prayer.

Officers were elected as follows: Mrs. W. C. Allsbrook, Secy., Mrs. Sam Marks, Treas., Mrs. W. F. Lee and Mrs. Ida Taylor were appointed visiting and sick committees.

Plans were then discussed to make money for the purpose of buying a piano for the church and everybody seemed willing and ready to get to work.

After all business was attended to refreshments were served by the hostess and were enjoyed by all present.

Circle No. 1, will meet at the home of Mrs. Ida Taylor Thursday night July 29.

**Injuring Oneself to Labor.**  
A man should injure himself to voluntary labor and should not give up to indulgence and pleasure, as they beget no good constitution of body nor knowledge of the mind.—Socrates.

## NEWS FROM BASE BALL LAND

Roanoke Rapids Climbs Considerably, Taking Both Games from Emporia on Friday and Saturday, Defeats Rosemary Tuesday, and Rosemary Again Thursday

Expectation of the fans, who hoped great things from the strengthened Roanoke Rapids team, were gloriously realized Friday and Saturday, when Emporia went down in defeat before the locals on both days.

Friday's game was close, the visitors taking the lead from the first, scoring four runs in the first frame, holding it until the Rapids tied the score, six all, in their half of the ninth frame. Windingen started the slab work for Emporia but after the gentle persuasion of Scott, Seifert and Honig, he was retired in favor of Rivers. Rivers did his best, but it wasn't good enough. Roanoke Rapids had hit her batting stride and there was no stopping her. Pace pitched for the locals and was in his best form. Honig featured with stick work, landing two singles and a home run in his five times at bat.

Saturday's game was not so close. De Luca pitched for Emporia and was out of class. The Rapids landing thirteen hits in eight innings. Off Scott Emporia managed to get four hits in nine frames. Emporia made three errors to Roanoke Rapids one. Barnes, Seifert, Honig and Scott lead in the batting for the locals. Craft for Emporia parked one in the fifth frame. Final score stood six to two in favor of the home club -- all earned runs.

The Rosemary-Roanoke Rapids game, played Tuesday at the Roanoke Rapids ball park, was won by the Rapids five to two. Welch and Purcell formed Rosemary's battery. Pace and Barr officiating for Roanoke Rapids. Eleven hits off Welch, four hits off Pace, tell the story of the game. Both teams played good ball but Rosemary couldn't match the stick work of Roanoke Rapids.

Thursday's game with Rosemary was won by Roanoke Rapids by a score of seven to one. Powell and Floyd were batteries for Rosemary, Scott and Barr for Roanoke Rapids. Both Powell and Scott pitched a good game. Most of the runs made off errors, Roanoke Rapids making three errors to Rosemary's seven.

**Two Rules of Life.**  
Here is a man whose guiding principle is hate. He is forever trying to punish somebody for some real or fancied grievance. He will spend money and thought and time to bring confusion upon some one whom he chooses to regard as an enemy, money and thought and time which he might employ in advancing his own fortunes or in nobler efforts. When he succeeds in his end he seems to take a brief satisfaction in his work, but he does not impress us as a happy man. He soon forgets all about the punished enemy and seeks about for a new one to punish. When he fails in his end and his enemy escapes or punishes him he is very much cast down. One advantage of taking the diametrically opposite position to the one this man has selected as your guiding principle of life is that even when you lose you win.—Columbus Journal.

**How Birds Forecast Weather.**  
Migratory birds and fowls that go north in summer are sure to fly south previous to cold and stormy weather. When these birds are noticed flying in circles, and darting restlessly about, there is usually a severe atmospheric disturbance not far distant, such as a cyclone or tornado.

## DON'T GET MALARIA

Simple Suggestions for Avoiding "Chills and Fever"

This is "malaria season" but malaria is going out of style. No one ever has malaria these days unless he is behind the times, doesn't know how to avoid it or is too indolent to escape it. Time was when we contracted malaria, or "chills and fever" as it was called, about as regularly as summer or fall came around. Not so now. Now we know that by taking 5 grains of quinine daily from the first of May until frost we are about 99.44-100 percent proof against malaria, and by increasing the daily dosage to 7 1/2 grains we can make it 100 percent.

Furthermore, many of our people are resenting the nightly raids of these malarial zeppelins, and are screening their houses throughout. With more and better farming we are gradually clearing out and draining our swamps and low places and are thereby destroying the naval bases of these little zeppelins.

Half cured malaria is worse than a half truth. The only thing to do with a case of malaria is to cure it thoroughly and then stay cured. Many doctors in treating malaria give 30 grains of quinine for the first three days then 20 grains for a week and taper off to about 5 grains a day, which is to be continued until frost. The faint hearted follow directions only for a day or two or until their chills are broken, and then quit, leaving themselves worth about 75 to 90 percent par value physically for months and years. Why run on a flat tire? Why endanger others to your own infection? Get thoroughly cured, then stay cured.

## Mr. Eugene Thomas Whitehead

Scotland Neck mourns the death of one of its most prominent and useful citizens in the departure of Mr. Eugene Thomas Whitehead, well known all over North Carolina as one of the State's leading druggists.

The funeral services took place Friday morning from his late residence. More than 600 people attended the burial.

The active pallbearers were Joe House, J. E. Condrey, Jr., R. H. Marston, Henry Moore, Henry T. Clarke, A. W. McLowell, Norfleet McDowell, and E. W. Woodard, all of whom were or have been in the employ of Mr. Whitehead.

Honorary pallbearers were Charles Speed, J. E. Bowers, C. J. Shields, J. H. Alexander, S. A. Dunn, J. L. Josey, T. W. Wheeler, Stuart Smith, Dr. T. D. Kitchin, Dr. A. D. Morgan, Dr. H. I. Clark, Dr. I. E. Green, Dr. A. R. Zollcoffer, Dr. J. H. Baker, Dr. R. M. Johnson, F. P. Shields, J. E. Condrey, Sr., B. W. Martin, J. S. Paul, C. Hoffman, C. F. Burroughs, P. A. Rasberry, L. L. Cherry, A. Paul Kitchin, B. F. Bowers, Richard House and J. C. Riddick.

The floral offering was magnificent, and it required a wagon to carry them to the cemetery.

**Why Battle Brings on Rain.**  
The explanation of the rain, caused by the concussion of guns in a modern battle, is comparatively simple, and has been made use of for the benefit of agriculture in various parts of the world. The atmosphere is laden with moisture, a concussion caused by loud reports or noises will often burst the clouds, with the natural result that the drops of water fall to the earth. This has been practically tested when farmers have been groaning over the drought, and scientists have induced the desired rainfall by causing cannon to be discharged at altitudes varying with the locality. When, however, the discharge is continuous, as in battle, it is obviously more effective.

**Mean Man.**  
Customer—"I want to get a collar for my wife's posie." Dealer—"Something plain, sir?" Customer—"No, something showy and expensive looking. I want someone to steal the little beast."—Boston Transcript.

## WITH THE CHURCHES

Morning, Sunday School at 10:00 o'clock. J. B. Boyd Supt. It being Pastor's Day, the pastor will preach a ten minute sermon to the children.

## The HOME BEAUTIFUL

Flowers and Shrubby  
Their Care and Cultivation

Field Daisies Can Be Grown in the Garden and by Cultivation Become Much More Beautiful Than in Their Native State.

**DAISIES ALL YEAR ROUND**  
In the mild climate of California and some of the southern states, daisies bloom all the year around. In California these flowers grow very much larger than those of the East, as do all Pacific coast flowers; but they seem to lack brilliancy, and to many persons are not as satisfactory. In the colder climates, of course, it is impossible to keep daisies blooming every month; but by planting different varieties some of them may be kept blooming the entire summer. The daisy is really not a domesticated flower, as a great many low-growing wild flowers are called daisies. Many varieties are classed as weeds. In fact, the ox-eyed daisy which is plentiful all through New England and some of the northern states, is called white-weed. The chrysanthemum and wild asters are called daisies and really belong to the same family. While it would not be possible perhaps to have a daisy hedge in bloom all the year, still by planting the various species of daisies, chrysanthemums and asters, some bloom could be had from April to November in all except the extreme northern states.
