The Horse That Drew the Load

Author of "Do Something? Be Something?"

Halifax County, in Halifax, N. C., i
MOVING van came rolling down the street the other day with Deed Book 259 at Page 117, do
fould having been made in the payment a nig-spirited Perchéron in the center and two wretched mags ing spirited Percheren in the center and two wretened mags of the indebtedness thereby secured, in either side. The Percheren was doing all the work, and it and at the request of the holders of the seemed that he would have got along far better in single harness, than he managed with his inferior mates retarding his speed.

I will on Monday, the 2nd day of August, 1915, at the hour of twelve o'clock

The advertiser who selects a group of newspapers usually harnesses two lame propositions to every pulling newspaper on his list,
and just as the van driver probably dealt out an equal portion of
feed to each of his animals, just so many a merchant is paying prac
A certain tract of land i ing and

Fintered as Second Class Matter April 3, 4914 at the Post office at Roanoka Rapide, North Carolina, under Act of March 3, 1879.

All communications should be addressed to the Herald Publishing Co. Persons wishing return of mss. must in all cases enclose stamps.

All contributed to each of his animals just so many a merchant is paying practically the same rate to a weak paper that he is allowing the sturdy profitable sheet.

Unfortunately the accepted customs of inserting the same advertisement in every paper acts to the distinct disadvantage of the meritorious medium. The advertiser charges the sum total of his expense against the sum total of his returns, and thereby does himself and the less productive and the following property to with the same and and a cash, the following property to with the same trate of a weak paper that he is allowing the sturdy as follows the same being his No. 21, according to the plant made by Ed. I clark for the Sauthern Investors Real to Company which plot is duly recorded in the Register of Deeds of the following property to with the same rate to a weak paper that he is allowing the sturdy as follows the same being in No. 21, according to the plant made by Ed. I clark for the Sauthern Investors Real to the Act and the following property to with the same rate to a weak paper that he is allowing the sturdy as follows the same being in No. 21, according to the plant made by Ed. The following property is to with the same rate to a weak paper that he is allowing the sturdy as follows the same being in No. 21, according to the plant made by Ed. The following property is the paying property to the distinct of the same advertisement in every paper acts to the distinct of the same advertisement of the same advertiseme

sheets with results that they have not carned There are newspapers in many a town that are, single handed, able to build up businesses. Their circulation is solid muscle and sinew-all pull. It isn't the number of copies printed but the number of copies that reach the hands of buyers-it isn't the number of readers but the number of readers with money to spend-it isn't the bulk of a circulation but the amount of the circulation which is available to the advertiser—at isn't fat but brawn—that tell in the long run

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not

There are certain earmarks that indicate these strengths and return. It acts on the liver better than conesses. They are as plant to the observing eye as the signs Calomel and does not gripe or sicken. 25c weaknesses. They are as plant to the observing eye as the signs of the woods are significant to the trapper. The news columns tell the case of lengthy items, even you what you can expect out of the advertising columns. A newsmore time must be allowed. No paper always finds the class of readers to which it is edited. When charge made for insertion of its mental tone is low and its moral tone is careless depend upon itthe readers match the medium.

No gun can hit a target outside of its range. No newspaper can aim its policy in one direction and score in another. No advertiser can find a different class of men and women than the publisher has found for himself. He is judged by the company he keeps. If he lies down with dogs he will arise with fleas.
