WELDON TO IMPROVE STREETS

The Commissioners of the town of Weldon have taken a long step forward in the issuance of bonds in the sum of \$35,000.00 for the construction of improved streets in the town of Weldon. Bitulithic pavement will probably be laid on the principal business streets and improved gravel streets will be constructed all over town. The cost of the paving will be borne half by the town and half by the property owners.

Big Tent Meeting

The big tent meeting on Hamilton Street is now in full swing, and bids fair to be a wonderful revival. Already people from Halifax, Littleton, and Weldon, as well as from all parts of the community to attending the meeting, and the crowds increase as the meeting grows. The ministers of all churches and the choirs are co-operating beautifully. Mr. Ham the evangelist, is truly a great preacher; he preaches with an earnestness and fluency seldom equalled. Mrs. Ham presides at the piano gracefully, while Prof. Betts stirs the great crowd with his clear sweet gospel songs. There will be services Saturday night while three services will be held Sunday, one at 11 o'clock a special mammoth men's meeting at three o'clock and another service at 7:45 o'clock. A special meeting for women will be held Monday night, and meetings each night next week at 7:45 P. M.

For Register of Deeds

I hereby announce that I am a Candidate for Register of Deeds for the County of Halifax in the coming Democratic Primary to be held August the 3rd, 1916, for the nomination of County Officers, and if elected promise the same prompt service rendered in the past. I will appreciate the support of all the voters in Halifax County, N. C.

TO-DAY AND TO-MORROW EMPORIA AT ROANOKE RAPIDS

By telegrams to the Roanoke Rapids and Emporia Clubs early last Saturday morning Franklin stated her desire to re-organize her Club and re-enter the Tri-Town League. The Franklin Club has new and stronger backing and is reported to be strengthening up materially.

Roanoke Rapids took both Friday and Saturday's games with Emporia on the home diamond, split even in the series at Franklin Monday and Tuesday. Emporia took both games from Franklin played at Emporia Wednesday and Thursday, the Wednesday game by a score of 21 to 2, extra innings being unnecessary.

The Richmond Grays divided with the Weavers here on Wednesday and Thursday, the visitors taking the first game on a score of 1 to 0 ten innings. The second game went to the Weavers 8 to 7.

Patterson Mill Defeats Rosemary

Patterson Mill won from Rosemary Saturday in a very good game by the score of 7 to 2.

Sanders and Snotherly were the opposing artists both being in good shape, Snotherly having a little better control never being in danger after the third inning.

Carr and Barr featured for Patterson Mill with the stick. Score by innings: Patterson Mill--001 000 600--7 Rosemary--010 020 000--3.

Kellford Defeats Patterson Mill

Kellford defeated Patterson Mill Thursday of last week in one of the prettiest games played on Kellford diamond this season. Kellford has one of the fastest teams in Eastern Carolina, losing only one game this year.

Shields for Kellford was complete master of the situation from beginning to end allowing only two hits and fanning twelve. Snotherly allowed six hits and fanned seven.

Score by innings: Patterson Mill--000 000 000--0 Kellford--003 000 000--3.

Jim Womble Killed By Fall

James Dewey Womble, eighteen years old son of Mr. J. W. Womble, of Roanoke Rapids, was fatally injured by a fall from a scaffolding in the Newport News Shipyard on last Tuesday afternoon.

Young Womble was working as painter for the Newport News Shipyard at the time the accident occurred. His father was immediately notified by telegram of the injury and that the doctor feared concussion of the brain. Thursday morning a telegram telling of the death of the boy was received, the deceased never recovering consciousness after the injury.

The body will reach here tonight and the interment will take place Saturday afternoon at the Roanoke Rapids Cemetery. The funeral services will be conducted by Rev. C. H. Trueblood of the Roanoke Rapids Baptist Church.

Take a Vacation

It is time to take a vacation. Everybody that works either mentally or physically needs a vacation sometime during the year.

Perhaps you think you can't afford to take a vacation this year. The fact is, in general you can't afford not to take one. You can't afford not to rest your mind and body and get away from routine work.

Perhaps you have not thought what a break-down or spell of sickness would cost you. The old adage, "a stitch in time saves nine," is applicable to our health as to our clothes.

You may not be able to afford an expensive trip to the seashore or to the mountains but you can afford a rest and a change of environment for at least a few days.

A few points not to be overlooked in taking your vacation are:

First, go where your health will not be jeopardized. Stay in no place where there are flies or mosquitoes. Second, know that you go there are sanitary means wherever for the disposing of sewage. Third, know that the food served you is not fly infected and that the milk is clean. Forth, know that your drinking water is pure. Fifth, be vaccinated against typhoid fever before leaving home, thereby reducing your chances of contracting typhoid fever 90 or 100 per cent.

A few don't's will perhaps be in place before making the start. Don't take too much baggage. Don't take any cares or worries.

Don't exercise too strenuously at first.

Don't eat injudiciously. Don't spend too much money. Don't forget that rest is what you are there for and that a vacation that does not put new life into your body and joy into your heart is a failure.

Good Water for Farm Homes

Clear, sparkling water is not always pure water. A refreshing draught from "the old oaken bucket" may be the beginning of a long and possibly fatal illness from typhoid fever, dysentery, or other disease.

The germs of the so called water-borne diseases come from the bodies of persons afflicted with those diseases. They do not live long outside the body and do not originate in nature. For the most part the germs which get into drinking water and produce disease come only from human beings. If we keep the waste products from the bodies of human beings and animals away from our water supplies, we keep the water free from disease germs.

The usual sources of farm water supplies are wells, pumps, springs and cisterns. Running streams are so seldom free from dangerous pollution that without purification they cannot be considered safe for domestic use.

The most common form of water supply is the shallow well, reaching into a layer of earth saturated with water. These are really little more than reservoirs for "surface water", since they drain the surface for a radius of sometimes several hundred feet. Wells of this kind should never be dug within 200 feet of any stable, barnyard or privy, and should be on higher ground than those that all drainage may be away from them. They should have a water tight curbing and cover and should have a pump for drawing the water rather than a bucket and gurney. The "old oaken bucket" is too often the "germ laden bucket."

Perhaps the safest means of supplying water for the country homes is the driven well or pump. These should have drains and care should be taken that no drippings seep back into the well or down by the side of the pump.

TOWN COMMISSIONERS HOLD MEETING

The Board of Commissioners held a special meeting on last Wednesday afternoon at two-thirty in the law offices of A. L. Clark, Mayor J. W. Taylor, presiding, Commissioners J. T. Chase, S. J. Bounds, W. P. Taylor and J. T. Stainback being present.

After considerable discussion in regard to the various applicants for the position of supervising engineer of the new concrete paving to be laid this summer, the Board appointed Engineer Dresbach, of Greenville, N. C., at a salary of \$150.00 per month.

Mayor Taylor was instructed to award contract for making the one thousand yard fill on First Street to the lowest bidder and have work begun on same as soon as possible.

Halifax County Democratic Primary

The Democratic Primary for Halifax County will be held on Thursday, August 3. This primary is for the nomination of all county and township officers except the Clerk of the Superior Court whose term has not expired. Nominations will also be made of two members of the House of Representatives. Mr. W. L. Long has already been declared the Democratic nominee for the State Senate, no candidate having come out in opposition to him.

The polls will open at the polling places in the various precincts at 7:00 A. M. and will remain open until 6:00 P. M.

CARD OF THANKS

The many friends and relatives of Mrs. L. S. Hodgins of Rosemary wish to express their thanks for for thoughtfulness that week when the good people of the community at the instance of Rev. Mr. Chaffin pounded the family with all manner of good things. It is just such little acts that brand the people of Rosemary and vicinity as real neighbors, and especially so to the unfortunate. Each and every one who had a part in the bestowal of gifts are thanked most heartily by all of Mrs. Hodgins' family.
