#### When God Probes.

God loves us too much to let what would hurt us stay with us. So, hecause of this love, he himself is willing to burt us in order to save us from the greater hurt. Probing is done in order to get rid of something that would injure. And so, as Prebendary Webster has said: "Do not be afraid of God's probing. He never wounds except to heal. He never humbles except to exait. Do let God deal with you; do not be afraid of his probing." Most of us have been afraid of it ; we may be dreading it just now. We shall
