## STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

## The Little Check

"You don't need to give me a very large check book," said the young lady who had just opened an account. "I will not write any large checks."

Of course that's just a joke, but did you ever stop to think what a powerful thing a little check can become when properly filled out with your name at the bottom? It will buy your groceries, pay your business transactions, and safeguard your savings. It stimulates commercial confidence and signifies success.
