PRIMARY TICKET GETS BIG MAJORITY

Biggest Vote Ever Polled in Municipal Election Tuesday. "Peoples Ticket" Brought out Late Monday Afternoon Received Only A Few Votes.

ELECTION VERY QUIET

By a vote ranging from 125 to 131 out of the 165 cast in Tuesday's election. A Democratic ticket consisting of J. T. Chase for Mayor, S. F. Patterson, T. W. M. Long, Wells D. Tillery, L. O. Anderson and Howard Leitner for Commissioners was elected. By entry at a late hour of "A PEOPLES TICKET" headed by S. J. Bounds for Mayor, lent to the election the spices of competition and resulted in the heaviest vote ever polled in a municipal election in the town of Roanoke Rapids. The Commissioners nominated on the Peoples ticket were: W. C. Allsbrook, Paul Robinson, B. Marks, C. G. Hamlet and C. W. Graham, and this ticket received votes ranging from 34 to 40. Little scratching was done on either side. Dr. T. W. M. Long leading the Democratic ticket by several votes and Mr. S. J. Bounds leading the Peoples ticket by an approximately similar margin.

The voting was quiet and orderly and little excitement was developed during the election. At no time after the first hour did the issue appear in doubt. The extent of the vote may best be appreciated by the statement that only 17 votes were cast at the last election held two years ago.

The newly elected Mayor and Board of Commissioners will take the oath of office the first Tuesday in June and will be inducted into office at that time.

No statement has as yet forthcoming as to probable appointments the new Board will make, although the announcement was made at the Primary that the new Board would not reappoint Recorder, W. S. Saunders and Chief of Police, C. G. Hamlet.

MOTHER'S DAY

(by J. E. Northington)

Oh, heart of love, my mother dear,
Sweet spirit akin to God;
Thy soul is in a realm of peace,
Thy body beneath the sod.
Yet you are with us here to-day

As in the days of long ago.

Mr. Wm. Towe, of Trinity College, was the guest of his mother Sunday.

The Epworth League held a very spirited and spiritually minded meeting May 4, at 9 P. M. The subject was "Giving." Among other interesting things, perhaps the best literary number, was a very earnest talk by Mr. Joe Lucas, Mr. Lucas brought out the thought that money is not the only thing we can give and is really very small compared with the leads of kind words and uplifting influences we may give by attending the needs about us. A very enjoyable musical number was a well rendered quartet by Misses Lies and Messrs. Roger and Alpheus Carlyle. Much enthusiasm was manifested on this occasion by the large congregation.

It was announced that the Monthly Social will be held Saturday evening May 10 at 9 P. M. in honor of the Blues who won out in this month's contest.

Friday evening, May 2, at 9 P. M. Mr. Knight, of Weldon, gave a very uplifting address at Darlington School, to which a number of Aurelian Springs people listened. The Springs Band furnished music on this occasion.

Misses Foxwell, Lucas, Lillie Belle Carlyle, Mr. and Mrs. M. C. Crawley attended the excellent Commencement address delivered at Holister by Mr. Wilson, of Greenville Training School. Quite a number of our people attended the well rendered evening exercises.

Misses Ruth Liles and Julia Cunningham entertained a few guests Monday evening, May 5. The guests played games, had music, recitations, seasoned with some of Mr. Watson Bowers' delightful jokes. Delicious refreshments were served by the young ladies. It was a delightfully spent evening.

Miss Clyde Moss of Washington, D. C., is visiting her mother.

IN MEMORIAM

Whereas it has pleased the eternal God, the ruler of the universe, the giver of all good gifts and graces, to remove from us our worthy Sovereign and brother, we bow in most humble submission to the will of Him that doeth all things well.

Therefore, Be it resolved:

That in the death of Sovereign Williams our lodge has lost one of its strongest co-partners, being the most efficient Council Commander, the best versed sovereign and so long as his health would permit was found at his post of duty, in his lodge, in his church and at his work. He was an honored christian citizen having the respect and confidence of all who knew him and we believe the community at large mourns with us the passing of this good man. Sovereign Williams was only thirty-nine years of age and might have served us longer had he not been called to greater duties on high. He is gone from our midst, we shall feel the hearty clasp of his manly hand and hear his voice as council commander teaching Woodcraft on earth no more. He has put away the beetle and wedge, he laid aside the axe and has gone, let us hope, as a delegate to the supreme lodge above to dwell with the great God and his angles. And may his widow and loved ones not mourn his gain.

SUNDAY IS MOTHER'S DAY

In 1913 a resolution was introduced in Congress for the observance of one day in each year as Mother's Day. In 1914 the President of the United States issued a proclamation proclaiming the second Sunday in May as Mother's Day which has been observed each year since; its observance demanding some act of kindness, gift or tribute in remembrance of the mother.

To properly observe Mother's Day you must if your mother is living wear a red carnation or rose and either visit or write her. If your mother is dead you should wear a white carnation or rose.

Bible Class Plans Extensions

At a very interesting service under the auspices of the Tuesday Night Men's Bible class last week, Mr. H. G. McDonald, the organizer and present teacher of the class, disclosed the fact that he has a vision of widening usefulness of the class in the capacity of an agency to assist in doing charity work in the town. This class has quite a remarkable career behind it, and it is hoped that it may be successful in enlarging the field of its usefulness. Men who are not attendants of any Sunday school often meet with the class in its regular meetings for the study of God's word.

Baptists to Build New House of Worship

Encouraged by a proposed donation by the Roanoke Mills Company, Roanoke Rapids Baptist church has decided to undertake the erection of a new house of worship. A very excellent corner lot on the east side of Roanoke Avenue, half way between the Presbyterian and Episcopal churches, has been secured. It was desired not to move quite so far from the site of the present church, but it was found necessary to do this in order to get a corner lot. It is believed, however, that the day is not far distant when the new site will be in the midst of a thickly settled community as the town is now growing rapidly in that direction. Through the kindness and generosity of Mr. S. F. Patterson, a handsome pipe organ is to be installed in the new church. Other donations are also being made by people outside of the membership of the church, all of which gives great encouragement to the membership to put forth their best efforts to build a house commensurate with the prospects of the needs of our rapidly growing town.

An Education De Luxe

A great opportunity is being offered by the United States Marine Corps in the way of receiving a triple education.

A man enlisting in this branch of the service goes to the Recruit Depot and takes his course in Military training which fits him to do the duties of a United States Marine. While he is receiving this training, he has a chance to attend school at the training station and take any course he prefers in the way of a regular education. After he has completed his training, he starts on the greatest educational period of a man's life,—travel.

There is nothing that will broaden a man's mind more than to travel in foreign lands and mingle with the people of the countries that he visits, and the Marine Corps gives this opportunity. Many men who have enlisted in the Marine Corps have travelled in as many as twenty foreign countries, and when a Marine completes his three courses in the Marine Corps, he has something to be proud of. Some of our greatest and most successful business men claim that the experience they had as "soldiers of the sea" made them what they are today.

Young men who are just starting out in the world to make their way should consider this matter before they settle down to the routine of business life.

The Marine Corps maintains its own recruiting service and no other branch of the service can enlist men for Marines. You can apply at any Marine recruiting station or through your local postmaster.
