in invasion of Hun Territory if Order to Advance la Given.

Berlin.-Germany will sign the peace treaty of the allied and associated powers. The national assembly by a vote of 237 to 138 decided to sign. The assembly also voted confidence in the new government of Herr Bauer 226 to 89.

Before the vote of confidence was taken, Herr Bauer, the new premier declared that the government would sign the treaty, but without acknowledging the responsibility of the German people for the war and without accepting the obligations contained in articles 227 to 230 in the treaty relating to the trial of the former emperor and the extradition of other German personages.

Paris.-The council of four has definitely rejected the German suggestion that further alterations be made in the peace treaty.

The council received four notes from the Germans, which are supposed to have been prepared in advance and were held to await advices from Weimar on the result of the meeting of the assembly. President Wilson went at once to the residence of Premier Lloyd George, where the council took up consideration of the notes.

Coblenz -- More than half a million allied soldiers in the occupied areas are ready for a further invasion of Germany. The troop concentration ordered by Marshal Foch has been completed up and down the Rhine, and every detail has been worked out for an advance, in the event that Germany does not accept the terms. Even orders to the civilian popula-
