**The Correct Proportion of Air to Fuel**

NO matter whether it is a gasoline engine, an automobile, a farm tractor, or a kitchen range, the case is just the same. Unless enough air is mixed with the fuel gas your engine or range will waste fuel and have less power.

On the farm or in the shop, Father's tools are the most efficient obtainable. He wouldn't use an engine that wasted half its fuel.

Give Mother an equal chance: Give her

**COLE'S DOWN DRAFT RANGE**

This range with its down draft (Hot Blast) system of combustion, uses exactly the proper amount of air. The fuel and fuel gases are burned. The fuel gases are not allowed to escape up the chimney as in all bottom draft ranges. This means that you can burn any available fuel, and also means not only a guaranteed fuel saving, but a cleaner, even heat and a perfect baking oven.

This range is also built to last, with malleable iron in parts that are subject to breakage, and copper alloy iron in parts that are subject to rust. These features are not found on any other range of this price.

It's a Jim Dandy all right—come in and see it.

**GET READY FOR "FLU"**

Keep Your Liver Active, Your System Purified and Free From Colds by Taking Calotabs, the Nauseless Calomel Tablets, that are Delightful, Safe and Sure.

Physicians and Druggists are advising their friends to keep their systems purified and their organs in perfect working order as a protection against the return of influenza. They know that a clogged up system and a lazy liver favor colds, influenza and serious complications. To cut short a cold overnight and to prevent serious complications take one Calotab at bedtime with a swallow of water—that's all. No salts, no nausea, no griping, no sickening after effects. Next morning your cat has vanished, your liver is active, your system is purified and refreshed and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger. Calotabs are sold only in original sealed packages, price thirty-five cents. Every druggist is authorized to refund your money if you are not perfectly delighted with Calotabs.—(Adv.)
