You have been working for two, five, ten - perhaps twenty years - and how much actual money have you put away as a reserve for the "rainy day" - for the unproductive period of your life which is bound to come? There are thousands who at your time of life were short-sighted financially, now they are old and penniless, and dependent on their relatives or the State. Would you be in this class?

## PRINCE ALBERT

the national  
joy smoke  
makes a whale  
of a cigarette!

**YOU certainly get yours when you lay your smokecards on the table,  
call for a tidy red tin or a toppy red bag of Prince Albert and roll a  
makin's cigarette! You'll want to hire a statistical bureau to keep count  
of your smokestunts! Why, you never dreamed of the sport that lies  
awaiting your call in a home rolled cigarette when it's P. A. for the  
packing!**

Talk about flavor! Man, man, you haven't got the listen of half your  
smokecareer until you know what rolling 'em with P. A. can do for your  
contentment! And, back of P. A.'s flavor, and rare fragrance—proofs of  
Prince Albert's quality—stands our exclusive patented process that  
cuts out bite and parch! With P. A. your smokesong in a makin's ciga-  
rette will outlast any phonograph record you ever heard! Prince Albert  
is a cinch to roll. It's crimp cut and stays put like a regular pal!

Prince Albert upsets any notion you ever had as to how delightful a  
jimmy pipe can be! It is the tobacco that has made three men smoke  
pipes where one was smoked before. It has won men all over the nation  
to the joys of smoking.

Awaiting your vision, you'll  
find toppy red bags, tidy red  
tins, handsome pouch and  
half pound tin humidors—  
and—these classy, practical

with toppy minidancer top  
that keep Prince Albert in  
such perfect condition!
