Ready for the Job

WHETHER it is the outside or the inside of your house that needs painting, you want good paint.

We have good, old reliable

Dutch Boy White-Lead

and pure linseed oil for exterior work.

Dutch Boy White-Lead is only a small part of the cost of painting. Labor is the big item. It costs no more to apply good paint than poor paint, and you don't have to do it so often.

This paint costs less, figured by the gallon, square yard, or years of service. As it is mixed to order, you can have the exact color you want.

Save the surface and you save all; to save the surface, white-lead it.
