VIRGINIA ESTIMATE OF HALIFAX ROAD WORK

Progress Made by County Under Direction of Mr. C. F. Gore Warmly Commented by Head of Virginia Good Roads Association.

We take pleasure in publishing an unusually gratifying communication from V. D. L. Robinson, Executive Secretary of the Virginia Good Roads Association to Mr. C. F. Gore, Superintendent of Highways in Halifax county. It shows the opinion of an expert as to the progressiveness of the road work in this county and the people of the county as a whole are to be congratulated that the work of Mr. Gore and the Highway Commission is such as to bring forth so commendatory an expression of opinion from such a source.

Mr. C. F. Gore, Weldon, N. C.

Dear Mr. Gore:

The writer has been requested to address the annual convention of the Co-operative Education Association on Wednesday morning, November 23rd in Richmond, on the subject, "How the Community Leagues Have Helped the Local Road Improvement." I have in mind devoting a great deal of my remarks on this occasion to a report of what you are doing in Halifax County, and suggest to the leagues that they can best assist by getting these counties to adopt the county unit plan of road administration.

I was wondering if it would be possible for you to loan me your exhibit of photographs for display during the convention to illustrate the remarks which I will make. If you could get them to me in time for this meeting, I will promptly return them to you after the meeting is over.

I have had a number of copies made of your address before the North Carolina Good Roads Association and have sent them to leaders in five or six counties in the State, and am glad to report that several of the counties are now planning to follow the splendid example of Halifax County. I deeply appreciate the assistance which you have given and want to reciprocate by advertising Halifax County throughout our State. It is quite possible that a committee from Fauquier County will arrange to come to Weldon during December to study first-hand your plan.

Kindly wire me at our expense whether it will be possible to let us have this exhibit of pictures.

Cordially yours,

V. D. L. Robinson Executive Secretary.

There will be a decorated Christmas tree, someone to tell them stories, and pop corn, candy and ice cream cones will be on sale. There will also be a fish pond for the kiddies.

"Microbe of Love" a Great Success

The play "Microbe of Love" given at the Peoples Theatre on last Tuesday evening by local talent for the benefit of the Order of the Eastern Star benevolences scored a tremendous hit with the large audience who witnessed the production.

The large cast was almost uniformly good, unusually good for amateur talent. The musical numbers were bright and pleasing and the more important members of the cast displayed remarkable histrionic ability.

The community is to be congratulated upon its ability to stage a show of this order with purely local talent in such a limited time.

Arbor Day Observance

On Tuesday afternoon at 2:00 o'clock the school children and several of the townspeople met before the Central School Building to make memorable, by fitting exercises, the community's first observance of Arbor Day. Hereafter it will be a custom, it is hoped, to make this an annual red-letter day.

The program was short but impressive. After a few simple words of introduction by Mr. Coltrane, the invocation was offered by Rev. C. M. Lance. "The Birthright" was sung by the grammar grades and High School; "Toast to the Old North State" was recited by Robert Crutchfield; after which Rev. Lewis N. Taylor spoke of the meaning and worth-whileness of Arbor Day. "October's Party" was then sung by the Primary grades, after which Matdora Mosley recited Joyce Kilmer's poem, "Trees."

The winner of the prize offered by the Woman's Club for the best poem written by a high school pupil was Ruth Jones, Rev. Stanley White after a few words of encouragement to those who participated in the contest, presented the prize. Ruth Jones then read her poem.

THE PINE ON THE CLIFF

It stood like a lonely sentinel, There in the shadows gray, The only tree, that whispering pine, Stood there day by day.

High on the cliff where the eagle soars, That lonesome pine still stands, And to the people far below, Reaches out his hands.

The program was closed with the singing of "America," and while the trees around the Central Building were being planted, the pupils from other buildings went back to their work, with plans for further planting in the near future. To the one hundred thirty pin oaks already planted quite a number more will be added.

Redding Haven Mears

Mr. Redding Haven Mears, died at his home on Four Hundred Street, Rosemary, Wednesday morning at eight fifteen, after an illness of a year, aged 75. He was one of the oldest inhabitants as he has lived here about eighteen years, all of which he has been connected with the Rosemary Manufacturing Company.

Being of a genial disposition a kind and considerate neighbor, he leaves many friends to mourn his passing.

One daughter, Miss Letha Mears, who lived with him survives.

The funeral service was held in the home at three o'clock yesterday by Rev. Lewis N. Taylor and burial was made in Cedarwood Cemetery.

The J. W. Club Reading Room

Last week an article was printed in this paper, in which the J. W. Club of the Roanoke Rapids Night School, made known to the public their plans for a reading room. They asked for magazines, books and games which will help to make an interesting place to spend a few hours. During the past week none of these articles have come in. We hope for better luck this week. Contributions, whether great or small, will be gratefully accepted. Please leave your articles at the office of the National Loan and Insurance Company.

TSCHAIKOWSKY QUARTET COMING DECEMBER 8

The third number of the lyceum course which is known as the Tschaiowsky Quartet will appear in the Central School Auditorium Thursday evening, December 8, at eight o'clock. This is probably the very finest musical number of the entire lyceum course and is an unusual attraction for a town of the size of Roanoke Rapids. This quartet commands a price of \$300 for each engagement. Coming, as they do, as a number of the lyceum course, we are enabled to have this high class attraction at a reasonable price.

Roanoke Rapids Defeats Henderson

On Saturday, November 19th, the Roanoke Rapids High School Team defeated the Henderson High School Football Team by the decisive score of 31 to 0. The locals scored one touch down in each quarter by straight foot ball and in the second quarter Bray was called back from right tackle and perfectly executed a field goal by drop kicking from the 30 yard line—Bray also kicked four goals after touch-down.

Though the Henderson team out weighed the Roanoke Rapids team there was no doubt of the final outcome of the game after the first few minutes of play the ground gaining ability of Vick, Gray and Edmondson in the back field, the generalship of Captain Wyche at quarter and the complete work of the entire line featured the work of the Roanoke Rapids team.

	R. Rapids	Henderson

MILK STATION

In our health campaign many children were found to be under weight. To cooperate with the parents in improving the health of these children, the Parent-Teacher Association has established a milk station in the Central School. All children who wish to buy milk may get it at four cents a half pint every morning at ten-thirty.

If you know a child in the community who needs milk and is unable to buy it, please drop a contribution in the milk bottle placed in the Drug Store, Ice Cream Parlor, or the lobby of the Peoples Theatre, and report the name of the child to the Parent-Teacher Association. Your cooperation in this undertaking will be very much appreciated.

Roanoke Rapids Wins from Wilson

The football team from the Roanoke Rapids High School defeated the Wilson High School team in a hard fought football game on last Saturday by the score of 18 to 14.
