W. T. Council Heads First National Bank

Appointed to Fill Vacancy Caused by Resignation of C. A. Wyche.

DR. T. W. M. LONG APPOINTED CASHIER

Mr. W. T. Council, formerly cashier of the First National Bank of Roanoke Rapids, was unanimously elected President of that institution on last Friday, succeeding Mr. C. A. Wyche, who has resigned. Mr. Wyche gave as the reason for his resignation the fact that his personal affairs were taking up so much of his time he felt unable to continue longer to act as President, and the Directors of the Bank reluctantly accepted his resignation.

Dr. T. W. M. Long was elected Cashier to fill the vacancy caused by the election of Mr. Council to the presidency. It is understood that Dr. Long's duties as Cashier will be nominal - the affairs of the Bank continuing to be administered by its present organization.

Immediately after the ceremony the young couple left for Northern cities.

BOOK WEEK RESULTS SPLENDID

Through the cooperation and support of the town people and the enthusiastic effort of these school children book week was a success. There were turned in for the library books numbering above a thousand. The total sum of money secured was approximately three hundred and forty seven dollars. The contributions came in the following amounts:

Rosemary and Central School Fairs, \$160; Grammar Grades and High School, \$100, Scout Day fund, \$75; Night School \$4 Total \$339.00.

This Community sees the importance of books and the value of good books cannot be denied. It would seem that the little boy who wrote on his tag "Abraham Lincoln read books, why can't we?" is to be answered with "you can!"

To those who cooperated so splendidly in the book week activities sincere appreciation is tendered.

TURKEY DINNER TO MEN'S BIBLE CLASS

A most enjoyable Turkey Dinner was given in the Sunday School rooms of the Presbyterian Church on last Friday evening for the members of the Men's Bible Class.

Guests of honor for the occasion were two members of the Wesleymen's Class of Norfolk, Mr. L. S. Grove, president of that class last year and Mr. D. G. Campbell, at present Director of the class. These gentlemen were introduced by Mr. J. T. Chase, teacher of the Men's Bible Class and both made very interesting and appropriate talks about Sunday School work.

The menu consisted of roast turkey, creamed Irish potatoes, cranberry sauce, coffee, rolls, mince pie and cheese. Covers were laid for one hundred and twenty five.

Our Greetings In the Meaning of Christmas

IN THE true spirit of the occasion and with due appreciation of all it implies, we extend Christmas greetings to the readers of this publication. Christmas has a meaning possessed by no other holiday throughout the world. America has its national and special days, other countries have theirs; Christmas is the only one alike in spirit and celebrated in all Christian lands. So pure is its principle that it commands respect and admiration among people who worship their Creator in different ways from ours.

Christmas typifies all that is best in mankind. It is the culmination of the human mind throughout the ages dwelling upon the wonders and mysteries of existence, turning to a reverence for God and His representative on earth. It expresses the ascendancy of spirit, the realization of men of their interdependency and their duty to one another; and so it is marked by the bestowal of gifts and other sentiments of benevolence and well wishing.

The makers of newspapers, concerned as they are with the doings, manifestations and thoughts of their respective communities and the world at large, and recording them in their more important aspects for the information, mayhap the education of readers, are brought into an intimate sense of the spirit and meaning of Christmas. Would that we could express to you all the good that we see in the hearts of men and the increased brilliancy behind a few shadows of the light which has upheld the world for so many centuries. In the happy auguries we see for the future, there is every reason to be merry.

Our Yuletide thoughts go out to the people of this community and our thanks are due the patrons and kind friends who have given us practical support or extended encouragement during the year. May this be the best Christmas you have ever spent, is our wish to all.

Sale of Red Cross Seals Progressive

A large number of people who have invested in Tuberculosis Christmas Seals will be interested in knowing what others have done financially to aid in the fight against the disease. As the sale will continue until Christmas the returns are incomplete at this time but preliminary reports received from local chairmen and returns received from the mail sale letters sent direct from headquarters indicate that the total receipts will exceed fifty thousand dollars. A large proportion of this amount will be retained in the community in which raised and will be used for the relief of tuberculous cases in that community.

The State Association will have approximately twenty thousand dollars for work during the coming year. A small amount with which to combat so strong a foe but headway is being made and will continue to be made as long as the people of the State support the work.

Preliminary reports received from Winston-Salem show that the Twin City is in the lead this year; a total of \$4,200.00 being raised in the one day canvass. Greensboro is not far behind and expects at least \$6,000.00 before the sale is over.

Quite a large number of persons who received seals direct from the State Association have not sent in their remittance as yet. It is hoped that they will do so before Christmas in order that definite plans may be made for next year's work early in the year.

DUNCAN FILES SUIT FOR \$20,000 DAMAGES

P. C. Duncan, connected with the local firm of Koonce-Denton Company, yesterday filed suit in Wake county superior court against A. P. McPherson and V. C. Matthews, of Roanoke Rapids. Douglas & Douglas, counsel for the plaintiff, stated yesterday that Mr. Duncan would ask \$20,000 damages for malicious prosecution at the hands of the defendants. The complaint has not yet been filed.

According to counsel, the latter part of October Mr. Duncan was general manager of Duncan's Incorporated, a business enterprise at Roanoke Rapids, and Messrs. McPherson and Matthews were president and treasurer, respectively, as well as stockholders. The two officers of the concern, counsel stated, had Duncan indicted, charging embezzlement of \$5,000, and the action was dismissed when brought before the recorder at Roanoke Rapids. —News and Observer.
