U.S. Protests Russian Plans To Use Berlin Air Corridor For Bombing and Firing Range

Mediums Banned In U.S. Zone

Berlin, Sept. 24-(AP)-Russian anti-aircraft gunners plan to fire "dangerously high" in practice in the American-British air lift corridor to blockaded Berlin, the American charged in a protest today.

The Russians also announced they would conduct bombing and fighter firing practice in the corridor the Americans said. Asked what precautions they would take to protect traffic, the Russians said that when their own planes appeared, they would stop shooting.

In another development of the battle for Berlin, the U. S. mili-tary government banned all Sotary government banned all Soviet-sponsored newspapers and other publications from the American zone of Germany. This was in reprisal for Soviet banning of Western-licensed publications in the Soviet zone and the Russian sector of Berlin.

Capt. V. H. Gookin of Quincy, Mass., chief U. S. representative at the four-power Berlin air safety center, said the Russians posted a notice there that they intended to conduct anti-aircraft firing practice for seven hours to

pect in the break-in and at-tempted safe robbery of the Newsome Oil Company here last Carolina.

Following her college work tempted safe robbery of the Newsome Oil Company here last of Friday night.

Chief Davis identified the man as Henry Barnett, 21, of Roaf noke Rapids.

The chief said Barnett was picked up late last night as a suspect in the attempted robbery but added that no charges were lodged until today after further investigation.

Davis said that Barnett did not admit to breaking into the oil company's office and knocking the combination off the safe, but said the youth had admitted it stealing an automobile recently in Roanoke, Va.

Barnett is being held in the local jail pending the posting of a \$1,000 bond for the Virgins auto theft charge.
