Europe today. There, it was announced, Sec-retary of Defense Forrestal will talk with American officials at Paris, Frankfurt, Berlin and London, including Gen. Lucius D. Clay, American commander in Germany. And there seemed no reason to believe he would pass up any chance to confer with officials of other friendly governments in Europe where this country has a high military stake. Forrestal's visit to Clay assumed special significance in the light of the general's con-ference Monday with Viscount Montgomery. The British field marshal is chiarman of the mili-tary committee of the Western European alliance. The formal announcement of Forrestal's trip said he would "discuse methlows affecting the
