

OUR TROLLEY LINE.

Will Pickens County Also Put Her Shoulder To The Wheel?

(Pickens Sentinel.)
A company has been organized in North Carolina to construct a trolley line from Asheville through Henderson and Rutherford counties to Tryon in Pickens county with a branch to Gaffney, S. C.

W. A. Smith, a leading lawyer and promoter, of Hendersonville, is president and F. M. Stearnes, a wealthy capitalist from Cleveland, Ohio, is vice president of the company, and as 10 per cent. of the stock is paid in, the road is an assured fact.

There is also a movement on foot to build a road from Easley to Anderson, S. C. By connecting these two roads with a line from Tryon to Pickens and using the Pickens railroad to Easley it would be the finest trolley line system in the Southern States.

I could not fail to be a paying investment as it would shorten by many miles the distance from Florida and the South to Asheville, the Sapphire country and all the resorts of the mountain country, avoiding the heavy grade of Saluda. As feeders it would have railroad connections at Asheville, Hendersonville, Tryon, Easley and Anderson. Traversing the Piedmont and Thermal belts it would develop the finest fruit growing sections of the Carolinas. Millions of feet of virgin timber line the route while magnificent water powers are wasting their energies at Broad river, Green river, Shunkewanger, Big and Little Tigras, Saluda, Twelve Mile and other streams.

It touches a large number of thriving little towns and villages in the richest sections of the two States. It brings the manufacturing towns of the South in touch with the agricultural and fruit growing sections of the mountains and as a scenic route it would be unequalled, as no grander scenery can be found east of the Rockies than Chimney Rock and Hickorynut Gap.

Pickens county would be benefited to a greater extent than any other along the proposed line as it would give this county easy communication North, South, East and West and bring thousands of visitors within her borders, many of whom would become permanent citizens, it would bring capital here to develop the power wasted in our streams, it would bring manufacturing enterprises here to use the raw material that is lying within easy reach, it would bring the fruit grower and the stock raiser to develop the virgin fields and barren hillsides into rich, fertile and magnificent orchards and farms; it would bring the health seeker who would develop nature's sanitarium to its highest degree; and manufacturing enterprises, dwellings and hotels would dot this God-favored land of the Piedmont belt.

By all means let's try to bring the line to Pickens.

Graded School Teachers Elected.
At a meeting of the board of trustees of the Rutherfordton graded school held on last Saturday, Capt. A. L. Rucker, formerly county superintendent, was elected principal for the next year. The teachers for the various grades were also elected as follows: Mrs. W. F. Rucker, Mrs. Jno. L. Geer and Misses Mamie Harris and Clara Taylor. The board does well in making their selection. They are all teachers of well known ability and wide experience. The term will begin about September first.

ACHED IN EVERY BONE.
Chicago Society Woman Who Was So Sick She Could Not Sleep or Eat, Cured by Doan's Kidney Pills.
When a woman's kidneys go wrong, her back gives out and every little task becomes a burden. She is tired, nervous, sleepless, run down—suffers daily from headache, heaviness, dizzy spells, and bearing-down pains.
Don't worry over imagined "female troubles." Cure the kidneys and you will be well. Read how to find the cure.
Marion Knight, of 33 N. Ashland Ave., Chicago, Ill., member of the Chicago Federation of Musicians and a well-known club woman, says: "This winter when I started to use Doan's Kidney Pills I ached in every bone and had intense pains in the kidneys and pelvic organs. The urine was thick and cloudy, and I could barely eat enough to live. I felt a change for the better within a week. The second week I began eating heartily. I began to improve generally, and before seven weeks had passed I was well. I had spent hundreds of dollars for medicine that did not help me, but \$6 worth of Doan's Kidney Pills restored me to perfect health."

A FREE TRIAL of this great kidney medicine which cured Miss Knight will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

REVIVAL MEETING CLOSES.
The revival meeting, which has been conducted by Revs. B. M. Hamrick and Mr. Barr at Pleasant Hill church during the past ten days, closed Monday evening under most favorable circumstances. Between thirty and forty persons were converted, many back-sliders reclaimed and the community greatly revived. About twenty-five joined the church and were baptized at Miller's mill yesterday.

SPOILED HER BEAUTY.
Harriet Howard, of 209 W. 34th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 25c at all druggists.

A Special For Churches.
E. M. Andrews, of Greensboro, N. C., is going to furnish 50 churches with Organ sets, guaranteed goods at a special price from the factory. This contract will only be good for 30 days. Send for catalogue at once. (Mention this paper.)

WATKINS-McDONALD.
A Popular Young Couple Married Tuesday Evening—Quiet Affair.
At the residence of Dr. and Mrs. J. L. Geer, Tuesday evening at 8:30 o'clock, Miss Mary Starnett McDonald and Mr. W. A. Watkins were quietly married in the presence of a few friends, Rev. S. L. Cathey officiated in his usual graceful style.
The color of the parlor was green and white and charming in the simplicity of the decorations.
The bride was a vision of loveliness and wore white crepe-de-chane over white taffeta and carried white carnations, while the groom wore conventional black. After the ceremony ices and cake were served.
Miss McDonald is a native of South Carolina, but during the three years she has lived here, she has won many warm friends and is a lovely Christian woman.
Mr. Watkins is the elder son of Mrs. C. W. Watkins, who lives near Rutherfordton. He is now the registered druggist of the firm of Thompson & Watkins, having recently passed the State Board of Pharmacy, and is a very worthy young man.
The Sun joins this popular couple's many friends in wishing for them much happiness.

of the illness of Miss Miller. She will give a recital at Caroleen to-night.
Mr. N. D. Francis went to Earls Thursday. He is taking his vacation.
Miss Minnie Miller is visiting Miss Mamie Hicks.
Miss Mamie Harris, of Rutherfordton, returned home yesterday, after several days' visit to Miss Mary Hicks and other friends.

CROPS BEING DAMAGED.
Catawba River Is On A Rampage—Reports From Other Sections.
The Catawba river is on a rampage and the farmers who have their crops on the bottom lands are in constant dread of a big overflow.
Mr. C. P. Brown, who lives in Steele Creek, telephoned The News this morning that the river is twelve feet above the usual water mark at this season of the year and is rising rapidly. Mr. Brown also states that the lowlands are now flooded and unless the waters subside great damage will be done to the corn and cotton crops.
In other sections of Mecklenburg traversed by the Catawba river the same is true.
The river commenced rising Tuesday morning and the waters have continued to deepen every hour.
A telephone message from Belmont states that the river is higher now than it has been at this season for many years. In many places the waters have overflowed the banks of the stream and considerable damage has already been done.
The same report comes from Fort Mill. The river at the railroad bridge is higher than for years and the bottom lands are inundated to the depth of from three to four feet. The corn crop will be badly damaged, to what extent cannot be determined as yet.
The same reports come from other sections, especially from Gastonia, where the high water has done considerable damage to both corn and cotton.
While it is no unusual occurrence for the river to be high at this season of the year, it is an unusual happening for it to be as high as it is to-day. Last year at this time the water was lower in the Catawba than for years. In many places one could cross on the stones.
A telephone message this afternoon states that the river is still rising at Fort Mill and great damage is being done to the growing crops.—Charlotte News.

HYDER MFG. CO. REORGANIZE
A Display Of Marion's "Fuss X"—Other Forest City News.
(Special to The Sun.)
FOREST CITY, July 17.—Mr. C. J. Huss, assistant superintendent of the Loray Mills of Gastonia, spent Friday night in the city. Mr. Huss carried with him several of the former employees of the Florence Mills to work in the Loray Mills at Gastonia. He returned to Gastonia Saturday, by way of Blacksburg, over the Southern. From reports current, many more of the Florence employees will follow.
Messrs. Sidney Kimbrell and Choice Nolen, of Spartanburg, spent Saturday and Sunday in the city. These young men, it is reported, are frequent visitors at our townman's, Mr. A. A. Abernethy's, and madam rumor says that their visits are more than friendly calls.
"Taters and roseneers" are now coming into market and the "poor white folks" and "niggers" can live high while the crops last.
Forest City's ball team returned Saturday and crossed bats on their own diamond Saturday evening with the El-lenboro nine, and gee-whiz! how they done them up—21 to 0 in favor of Forest City.
At a meeting of the stockholders of the Hyder Manufacturing Company at this place last week, Mr. W. S. Wilson, secretary and treasurer, tendered his resignation and it was accepted, and Mr. J. E. McFarland was elected to take his place. This company will reorganize and begin operation again in the near future.
During the ball game Saturday evening, there was a display of some of Marion's "Fuss X" on the ball grounds, but it all died away as the effects of the "Fuss X" subsided.
Mr. W. M. Hughes spent Sunday with his friend, Mr. W. M. Withrow, three miles out in the county. These two make a jolly good pair and never fail to make a good time when together.
Prof. B. H. Bridges, of our town, began a private school at Mount Pleasant, three miles southeast of the city, Monday last. From reports, the professor will have quite an interesting class.
The blackberry crop is about exhausted in this section, and now we hear the cry of the fruit vender on our streets. Apples are plentiful and peaches are scarce and command a good price.
Watermelons, home grown, can be had on near-by farms, and the shipped "culls" from the Georgia and Florida stock, three weeks old, are sold by some dealers in town.
Short, means not long. We have a short in town, who is long enough to make six trip a week for Uncle Sam on the rural route.

Every Heart-Ache
Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.
Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.
Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.
Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.
"I suffered terribly with heart disease. I have been treated by different physicians for my trouble without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came near making a finish of me. Some time before this a Mr. Young, of St. Louis, was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say three bottles cured me."
CHARLES GOODRICH,
Caruthersville, Mo.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.
