### NEW SCHOOL BLDG. FOR HENRIETTA

**Mr. Shelton Entertains— Boy Scouts and Camp Fire Girls Away — Vacation Time — Paint And Clean-Up Time— Personals.**

(Special to The Sun).  
HENRIETTA, July 14.—Mrs. W. R. Shelton entertained the Boy Scouts last Saturday night. Each Scout was asked to bring a girl friend. Needless to say they gladly availed themselves of this privilege. Numerous games and contests were indulged in, perhaps the most amusing of which was the drawing contest. This consisted of mother goose rhymes written on sheets of paper and distributed among the guests, each one to draw a picture illustrating the rhyme. The result was very amusing indeed. The prize for the best picture was won by Scout Ernest Lowery for his picture of "Peter, Peter, Pumpkin eater, had a wife and could not keep her." Gene Tanner was a close second with his illustration of "Hey, diddle, diddle, the cat and the fiddle." Mrs. Shelton assisted by Miss Eloise Rollins served refreshments of ice cream and cake and at a late hour the happy young people took their departure, quite sure they had had the "best time ever."

They left Monday morning for a week's camping trip at Alta Pass. The scouts are in charge of Rev. W. R. Shelton. A large army tent has been secured and it was a happy crowd of boys that left over the Seaboard for Bostic where they changed to the C. C. & O. The Boy Scouts of Caroleen accompanied them. Mr. Shelton being Scout Master of both troops. While at Alta Pass they expect to make the trip over the mountains into Tennessee. The boys will do their own cooking and live in true Boy Scout style. Also they will learn many things by actual experience of which they have only read in the Scout manual.

The Camp Fire girls in charge of Miss Annie Teague and Mrs. Lloyd McMahan are spending gthis week camping at Alta Pass. The girls left Monday morning with high anticipations of a great time during the week.

Mr. Cecil Cobb of the clothing department of the Henrietta Mills Store has returned to work after spending his vacation at Rutherfordton and other places and having a fine time in general.

Miss Maude Wilkins of the shoe department recently spent her vacation visiting her sister, Mrs. Arthur Carroll in Trible, Ga.

Miss Lucile Wall and Mr. Thomas Rollins both of the Henrietta Mills Store have recently returned from a visit to Miss Wall's uncle, Dr. T. B. Loveale at Trible, Ga.

Miss Annie Elmore who was the popular milliner at Henrietta Mills Store last season has finished her work here and returned to her home in Waco.

Miss Jennie Baber of Haynes Store took her vacation last week. She visited relatives in Shelby and reports a fine time.

Miss Florence Mahaffee visited her aunt, Mrs. C. A. Wilkie at Forest City Saturday and Sunday.

Miss Florence Hamrick entertained her Sunday School class last Sat-

urday afternoon. The little folks had a great time playing games. Miss Hamrick served ice cream. Miss Lucy Harrill and brother, Earle, entertained quite a number of young friends at an ice cream supper Saturday night. Music, games, conversation and the delightful refreshments all combined to make a most pleasant evening which was greatly enjoyed by those present.

Among those attending the Shrine meeting at Hendersonville the 4th, were Dr. and Mrs. J. F. Whisnant, Mr. and Mrs. M. B. Mahaffee, Mr. and Mrs. W. S. Moore and Gerald Mahaffee. The candidates from Caroleen were Clyde Whisnant, Bruner Beam and Bob Frances. A new brick school house for Henrietta is an assured fact. This building will be erected on the site of the old school building. The grounds and the large grove adjoining will be improved and will afford ample playground for the children.

Plans now under consideration call for nine rooms and a large auditorium in the school house. Work will begin right away and the house will be ready for use by the opening of the fall term of school.

A large band stand has been erected near the post office and we are looking forward to some fine concerts by the Henrietta band. The company following its clean-up, paint up policy is having both the Methodist and Baptist churches painted which adds greatly to the appearance of the churches and town.

A large force of hands are at work on the sidewalks of the town and are making great improvements along that line.

The grounds around the mill and store are very beautiful with the many colored flowers. The cannas with its foliage and flowers and dahlias make a very fine showing.

### WOMAN SUFFRAGE

**Scriptural Proof Against Woman Suffrage**

(Special to The Sun).

Dear Sir:—

I beg lief for space in The Sun to call the attention of its readers to some scripture. First, all scripture is given by inspiration of God and is profitable for doctrine for reproof, for correction, for instruction in righteousness. 2 Timothy 3, 16. Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband and he shall rule over thee. Gen. 3, 16: For the man is not of the woman; but the woman of the man. Neither was the man created for the woman; but the woman for the man; first Cor. 11, 8 and 9. For the husband is the head of the wife; once even as Christ is the head of the church, and he is the saviour of the body. Therefore as the church is subject unto Christ, so let the wives be to their own husbands in everything. E. P. H. 5th 23d and 24th. Let the woman learn in silence with all subjection. But I suffer not a woman to teach, nor to usurp authority over the man but to be in silence. I Tim. 2, 11 and 12.

I noticed in my last paper a sketch on the subject of woman suffrage, and I cannot see how people can favor that without annulling the above scripture. Can we get a better rule than the scripture. Best wishes to The Sun and its readers. S. J. McKINNEY.
