### COTTON MILL FOR RUTHERFORDTON

**Authorized Capitalization Of \$500,000—Is Named After County—Yarn Mill—Machinery Already Bought.**

Rutherfordton's latest enterprise is a new yarn mill with an authorized capitalization of \$500,000. The new mill is a reality. The charter has been applied for. The machinery has already been bought. It will be known as the Rutherford Cotton Mill Company, being named after the county. It will be located between town and the Southern depot or near by.

The charter was signed by Messrs. W. A. Harrill, M. L. Justice and C. D. Geer. The following are among the leading stockholders: W. A. Harrill, B. J. Dobbins of Charlotte, J. L. Taylor, C. L. Miller, C. D. Geer, M. L. Justice, K. S. Tanner, C. W. Keeter, R. P. Geer, J. O. Williams and others. Much of the stock has already been subscribed and the books are still open for new stock.

The mill was secured largely through the efforts of Mr. W. A. Harrill, who raised the stock.

The stockholders will meet at the court house, July 30th to perfect the organization.

This will mean much added wealth and prosperity for the town and county. With paved streets, a good highway from Asheville to Wilmington crossing our county and coming through here and many other improvements, our town and county is destined to be put on the map anew soon.

### TYPHOID FEVER GROWING

**About 332 Cases In State Now—Can Be Prevented**

(Special to The Sun).  
RALEIGH, July 21. — Typhoid fever in North Carolina during this month will cost approximately one half million dollars, according to estimates made in the office of the State health officer. This is based on the loss from illness alone and does not take into consideration the economic loss arising from the deaths that will result from this preventable disease.

Reports from all sections of the State show a rapid increase in the number of cases during the first fifteen days of July. On the fifteenth the total reached 332. With the same rate of increase maintained during the last two weeks of the month the total for July will be close to one thousand cases.

The convenience, loss, suffering and sorrow that trails typhoid through every home which it enters is useless because typhoid fever can be prevented. In fact, it has been demonstrated over and over again that it is the most easily controlled of all the preventable diseases. Vaccination will give immunity for a period of from two to four years. Sanitation means banishing the disease. North Carolina is fast learning the lesson, but not quite fast enough to prevent a heavy loss in money and many a heart bowed in sorrow.

### Post Office Changes

Miss Ellen Erwin has resigned her position in the post office here to accept the position as welfare worker at the Cleghorn Mills. She began her work Monday. She has been clerk in the post office since January 1st and has proved very efficient. Mr. Schurway Rollins, son of Mr. J. H. Rollins of R-1, takes her place in the post office. He is a student of the local high school and is a very bright boy.

### Seats For Court Square

The county commissioners are to be highly commended for purchasing 25 iron seats for the court square, which have been installed this week. This will afford seats for people who are in town and have to wait. It will afford a place for the town people to go and meet their friends and enjoy these hot evenings. It will make the court square more useful and attractive.

### Home Accounts Save Money

A housewife in an Iowa town found she had spent \$42 during one month for each member of the family for groceries and meat, and could not see where all the money had gone. The home demonstration agent advised her to keep home food accounts, which she did. She noticed at the end of the following month that she had been buying fresh fruits out of season, and she found several other extravagances which were eliminated and which reduced the monthly expenses for each person to \$35. She was so pleased that she began keeping an account of clothing expenses, also. Expenses for each member of the family were recorded on a separate sheet and it was found that a saving on clothes could also be made through studying the account book.

### Help Get Farm Loans

The county agents deserve much credit in the number of farm loans secured during the month of May, according to a statement just issued by the Federal land bank at Baltimore. Pennsylvania took the lead during this month in the increase of application for loans. The number of farmers applying for loans increased 86 per cent and the amount of money requested was increased 56 per cent.

This increase is due to the organization of national farm loan associations in 21 counties since February 1, 1919.—Weekly News Letter.

### Gives \$3,000 For Schools

The Henrietta Mills, through the generosity of the president and treasurer, Mr. S. B. Tanner of Charlotte, have donated the schools of Henrietta and Caroleen \$3,000 for the coming school year. This supplements the fund enough to help the county give these two towns a good school. Henrietta and Caroleen are to be congratulated on having such liberal minded mill men.

### Hotels To Be Inspected

The State Board of Health will begin an investigation of the health conditions of the various resort hotels of the State in a few days. Several complaints have reached the State health authorities recently. Only two things can be done; if they are below the standard the proprietor can be fined five or ten dollars, or the light of publicity can be turned on.

### MR. JOHN SHYTLÉ PASSES

**Miss Hunt Entertains—Orphan Concert—Personals**

Mr. John Shytle died suddenly here last Thursday, the 17th. He had gone to the mills with his daughter and was apparently in his usual health, when he dropped to the floor. Those standing near said he was dead when they reached him. Dr. Duncan was called and made a statement that Mr. Shytle had died instantly from heart trouble. Theron Wilson read the questions and answers which caused a great deal of merriment. Another interesting feature was the progressive conversation.

Miss Williams and Mr. Olive, and as many others as cared for them received a booklet in which those with whom they talked wrote their names. At the expiration of three minutes each young man had to move on to "the next chair," thereby getting to talk to all the young ladies present. ### HIGHWAY FROM THE MOUNTAINS TO SEA

**Will Build Road From Asheville To Wilmington**

(Special to Charlotte Observer)

RALEIGH, July 17.—The highway commission today endorsed the Wilmington - Charlotte - Asheville highway as a federal and state aid project, as the result of the visit of delegations from many counties through which the road will run. Chairman Page assured the delegations that the road was already recognized as a state highway, but it would be formally adopted by the commission now.

The 380 miles of the road would be constructed with the idea of ultimately developing a hard surfaced road the entire length, but for the present projects will be worked on a basis of the needs of the counties through which it runs. If traffic demands are such that a hard surfaced road is needed, such road will be constructed, but every mile of the distance from the mountains to the sea-shore will be improved under the present project which was today approved. Some of the work is already under way.

### DIXON HAS NEW PLAY

**"The Red Dawn" To Be Given July 28th In Washington**

Thomas Dixon, the famous North Carolina writer of *Shelby*, has written another new play entitled, "The Red Dawn," which will have its opening night in Washington at the Belasco Theatre on the night of July 28th. Mr. Dixon has issued a special invitation to the entire North Carolina congressional delegation to be present. The play is based on bolshevism and present day tendencies of organized labor.

Thomas Dixon was born near Shelby, Cleveland county, North Carolina. He is particularly gifted as a writer, his "Leopard Spots" and "Clansman" take high rank and it is claimed by many critics that his "Birth of a Nation" is the greatest screen play that has ever been produced. It has at least caused a great many prejudiced people to see the south in quite a different light from the way they looked at it before this masterpiece of the Tar Heel genius revealed so clearly some potent truths of history.

### SOLDIERS RETURN

**Many Soldiers Return—Revival At Kistler's Chapel**

(Special to The Sun).

RUTHERFORDTON, R-1, July 21.—We have been having plenty of rain for the past week, but as it takes both rain and sunshine to make things grow, we cannot complain.

It is always a happy time when the boys come home from overseas. The home of Mrs. J. P. Hester was a scene of much joy and merriment Sunday evening, when his son, Private Bert B. came home. He has been in service eleven months, and was in only one battle. He brought over with him quite a number of curios, and can tell some very interesting things about the Old World.

Private Cornelius Walter Nash is spending some time with his parents and many friends. He is stationed at Fort McPherson, Ga., at present, but he hopes to receive his discharge soon. It is, indeed, a pleasure to welcome our heroes home again.

Mr. and Mrs. Gaston Abrams received a telegram from their son, Fred, saying he had landed in New York. He hopes to be home soon.

Mrs. J. L. Davis, and two children, Loyd and Carol, of Chase City, Va., are spending the week with her parents, Mr. and Mrs. M. R. Champion.

Mrs. McCraw, of Gaffney, S. C., is spending some time with her parents, Mr. and Mrs. Gaston Abrams.

Mrs. N. L. Smith is visiting her sister, Mrs. C. C. Owens of Fingerville, S. C.

Rev. H. R. Freeman filled his regular appointment at Shiloh Sunday. He delivered one of his best sermons to a large and attentive audience. His subject being "The Experiences of God," based on Psalms 139.

Miss Alda Champion, who is teaching at Piedmont, spent the week end with her parents, Mr. and Mrs. C. M. Champion.

Mr. A. M. Richardson, of Erwin, Tenn., was a guest in the home of Mr. and Mrs. J. P. Hester Sunday.

The revival meeting will begin at Kistler's Chapel next Sunday, July 27th.

Let us all boost our county and county paper. Success to The Sun.

### GREAT WHEAT CROP

**Rutherford County Boy Making Good In West**

Kanona Kansas, July 10, 1919

Editor of The Sun,

Dear Sir:—  
I am now in sunny Kansas harvesting wheat and getting \$6 per day and board. The wheat crop this year is the greatest in the history of the State. Owing to the excessive heat and dry weather the wheat all ripened at the same time, causing a great scarcity of harvest hands. The greatest shortage of laborers made it necessary for the Government to take the labor situation into hand ship in hands by the carload lots.

I have not seen Morris Lynch nor Ras Houser yet. Hope to see them later.

The Hodge boys are located with Carl Johnson, and getting along fine. James McClure could not stand the climate owing to his weak heart so he returned immediately.

GEO. W. HILL.

### Ricker-Mickel

Beautiful announcements have been received in Rutherfordton which read as follows: Mr. Henry Justine Ricker and Miss Hermione Dutilh Mickel married on Wednesday July the second nineteen hundred and nineteen, Astoria, Oregon.

The bride is well known here being the daughter of Mrs. Annie Mickel former residents of this place.

### Heavy Loss

Over four million dollars and hundreds of lives sacrificed annually in North Carolina through fires and yet many people continue to be careless with matches, gasoline, kerosene, and in the use of fire generally and let trash accumulate, use dangerous flues and oppose fire regulations and inspections.

### Farmers Picnic

The Rutherford County Farmers Union will meet at Mount Vernon Friday, July 25th for an all-day picnic. Everybody invited to attend. Come and bring a well filled basket. State officer Gibson will address the union.

### SOUTHERN BAPTISTS TO RAISE \$75,000,000

**\$75,000,000 In Eight Days—November 30-December 7**

At the Southern Baptist Convention in Atlanta, Georgia, in May, with more than 5,000 Baptists assembled, it was unanimously decided to raise 75 million dollars, for missions, in home and foreign lands; for their more than 130 educational institutions; for their many orphanages and hospitals; for their aged ministers; and for the National Memorial church, dedicated to Roger Williams and Religious Liberty, to be built in Washington. A Campaign Commission was appointed, with Dr. George W. Truett, pastor First Baptist church, Dallas, Texas, as chairman, and one member from each of the Southern States. At a meeting in Atlanta, Georgia, early in June, the commission met and made out plans for raising the 75 million dollars. Dr. L. R. Scarborough, president of the Southwestern Baptist Theological Seminary, Ft. Worth, Texas, was elected General Director, and his headquarters established at Nashville, Tennessee. Five of the Commissioners were appointed as campaign directors, to whom the details of organization were committed. Mr. J. H. Anderson, of Knoxville, Tennessee, a wealthy merchant, was made chairman.

These campaign directors have elected the following leaders to cooperate with General Director Scarborough in the campaign: B. C. Hening, of North Carolina, Assistant General Director; T. B. Ray, of Virginia, Survey Director; H. C. Moore, of Tennessee, Publicity Director; Mrs. W. J. Neel, W. M. U. Organizer; A General Organizer is yet to be selected.

At a meeting composed of nearly 200 representatives from every phase of the denomination's life and work, in Nashville, Tennessee, July 2d and 3d, a complete program and organization for the campaign were effected. Each of the Southern States will be organized, with the State Secretary of Missions as the General Director for that state. He will be aided by a General Organizer and a Publicity Man, and an Advisory Campaign Committee, made up of the three persons named, the Campaign Commissioners from that state, the editor of the Baptist paper, the Secretary and Vice-President of the Women's Work, and the Chairman of the Laymen's organization. It will be the duty of these State Organizers to organize the sub-divisions in each state, called Associations or districts. Each of these Associations or Districts will have an Organizer and a Publicity Director, and these will organize the churches, with a General Director, preferably the pastor; and an Organizer, some select layman; and an Organizer representing the Women's Work. All these organizations are to be aided by volunteer workers, from among men and women.

The name of the campaign is "Baptist 75 Million Campaign." The time for the big drive will be November 30th to December 7th. This will be called "Victory Week," at which time cash and pledges payable in 5 years are to be raised to the amount of more than 75 million dollars. All the general organizations, —The Foreign Mission Board at Richmond, Virginia, the Home Mission Board at Atlanta, Georgia, the Educational Board at Birmingham, Alabama, the Old Minister's Relief Board, at Dallas, Texas, the Laymen's Board, at Knoxville, Tenn., the Woman's Missionary Union Board, at Baltimore, Maryland, and all the state organizations are throwing themselves full length and full strength into the campaign. Three million Baptists are to go in and put it over. It is to be the greatest and most meaningful movement ever inaugurated by Southern Baptists. Its issues to the cause of Christ are incalculable. This money will help every phase of religious life represented by Baptists throughout the whole world. It is expected that every Baptist church, more than 25 thousand of them, and every Baptist member, more than 3 million, will put themselves in a great fashion into this movement.
