## So That's It!

All of a sudden it dawned on him.

For a long time he felt that things were being said about him behind his back.

Now -- he had actually overheard it.

And said by men whom he had regarded as his best friends in business!

Maybe they were right -- he didn't know. But at least he would find out and apply the right remedy.

He called at our store and we fitted him up in a suit of **Curlee Clothes**, and then he had that feeling of confidence.

You, too, can have that easy, comfortable feeling if you will dress up in the famous **Curlee Clothes**.
