**READ WHAT THE Highest Insurance Authorities SAY OF THE BROOKLYN LIFE.**

"A company that makes such endorsements, gives the strongest pledge that it will fulfill its trust faithfully, and keep its reserves sufficient."—Hon. ELIZUR WARRER.

"The BROOKLYN LIFE has placed itself in the vanguard of insurance reform, and is the first company that has done full and complete justice to the insured."—INSURANCE TIMES, January, 1869.

"The BROOKLYN LIFE has made no half-way work of the adoption, as a merited tribute to the excellent Company (Brooklyn Life) which has so gallantly raised the standard of reform in Life Insurance, that we find in the whole list of existing Companies, few competitors which deserve so much credit in respect of economy of management, or care, skill and judgment in the selection of risks."—INS. SEC., January, 1869.

The BROOKLYN LIFE, alone of all other Life Insurance Companies, guarantees a definite rate of interest, and every policy issued by this Company bears a certificate stating what its exact worth will be in dollars and cents at any time after the payment of the first premium.
