In The WEEK'S NEWS

DOUBLE LIFE—Day-time she's a model; showtimes she's in the current Broadway hit, "Dream Girl." Here Helen Bennett tunes in her portable Lewyt, previous to posing in a de luxe stateroom of the Queen Elizabeth, for fashion pictures which will appear in many magazines next month.

MOLOTOV VISITS ROOSEVELT'S GRAVE—Russian Foreign Minister Molotov (left) and the wreath he laid near the grave of Franklin D. Roosevelt at Hyde Park, N. Y., recently. Molotov asked for "eternal memory to the great president."

ACCUSED OF EM-BEZZLEMENT—William A. Nickel behind bars at Miami, Fla. A 60-dollar a week cashier, he is accused of stealing \$850,000 to \$1,000,000 from the Mergenthaler Linotype Co. of New York.

MOVIE PAIR HOMELESS AGAIN—Actor Tom Barker, his actress wife, Susan Hayward and their two children evicted from Hollywood homes for the third time this year. They refuse to pay exorbitant rent or a bonus for an apartment.

FOR FALL—Chartruse and dark green wools are combined for this suit for fall days. Virginia Welles, star of "Ladies' Man" wears the suit with a chartruse gilet under the coat.

JOE LOUIS SIGNS FOR BIGGEST "BOTTLE" OF CAREER—Joe Louis, heavyweight boxing champion, signing as board director with Wm. B. Graham, president of All-American Drinks Corporation, who will produce soft drink beverages under the champ's name.

FBI Offers Posts To Young Men, 18-35

The Federal Bureau of Investigation is urgently in need of young men and women who are high school graduates to fill clerical positions in train one of these positions, applicants must be high school graduates, between the ages of eighteen and thirty-five years and must be of excellent moral character. Starting salaries for clerical positions range from \$1756 to \$2394 per annum. A representative of the FBI will be at City Hall on November 26 from 9 a.m. to 12 noon for the purpose of receiving applications and granting interviews for these positions. He will be glad to answer questions in connection with this employment at that time. The FBI is also presently accepting applications for the position of

Special Agent from men, ages twenty five to forty, possessing a law degree or an accounting degree with three years of actual accounting or auditing experience. Also, applicants possessing a college degree and otherwise qualified will be considered for the position of Special Employee Agent, and those appointed will at the expiration of one year be considered for designation as regular Special Agents. The starting salary for all Special Agent positions is \$4149.60 per annum.

FIXING UP the HOME
By Diane Greeter

HOW TO CLEAN OVEN

KEEPING a new range clean, or cleaning up an old one, has always been a major problem for most housewives. Meat cooked without fat is almost always tasteless. Meat baked slowly will get tough. When fat is subjected to this fast cooking process it will splatter and splash over the inside of the oven. The result is a coating of grease which must be removed as soon as the oven is cool if one is to keep the appliance clean.

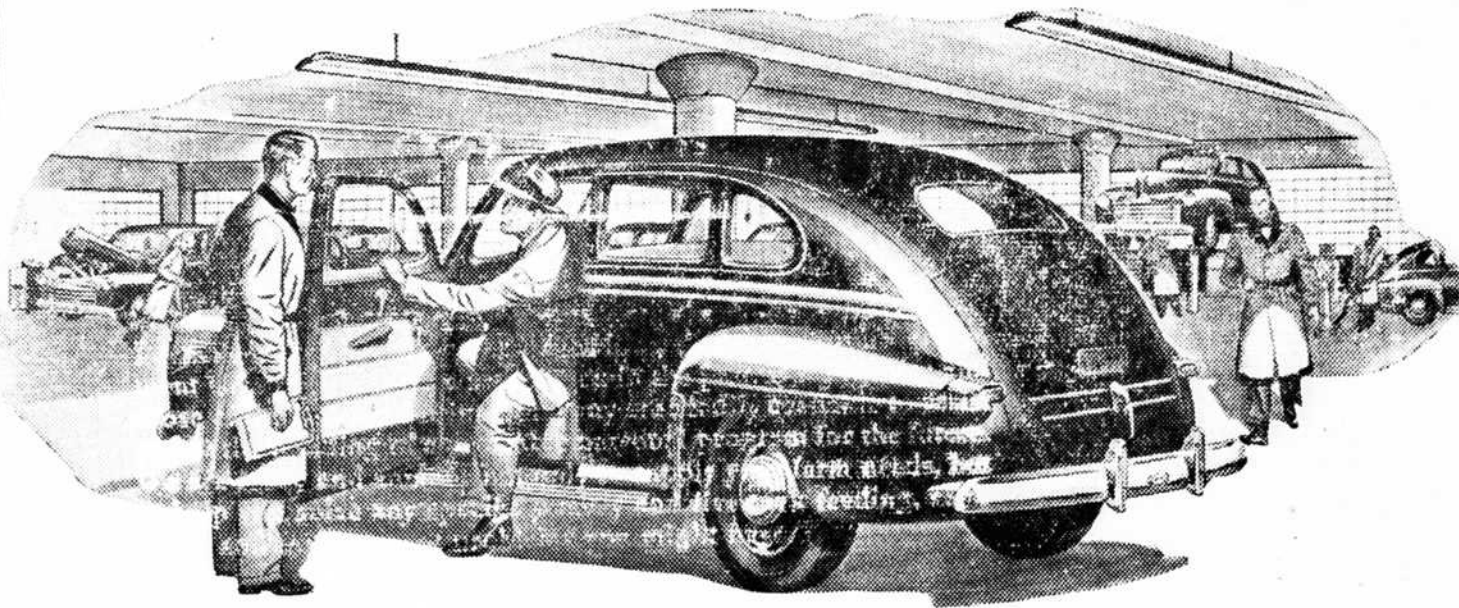

Do not use any abrasive material in cleaning any part of the range. The manufacturers put on a surface which is a fine cousin to glass. If you scratch tiny lines into this surface, it will produce fine cracks or check marks later. A

good strong soap solution will remove the grease easily, but do not use it until the range is cool. Putting cold water on this surface will break it, just as your glassware will break if you put it in boiling water and then into ice cold water.

If the grease is not cleaned off and successive coats are allowed to remain, the whole will bake into a new and dirty surface as hard as baked enamel. To remove this, put a cup of strong ammonia in the oven overnight with the door tightly closed. In the morning most of the hard grease will be loose and can be easily washed off.

Bring your FORD
"back home" for service

And here are the reasons why:

1. Mechanics trained in Ford Factory Methods
2. Genuine Ford Parts
3. Ford-Approved Service Methods
4. Special Equipment Designed for Servicing Ford Cars
