## Horry Seal Sale Plans Extra Push

An extra push to the sale of Christmas Seals this week has been planned by the Horry County Tuberculosis Association.

Willis J. Duncan, County Seal Sale Chairman, said an all-out effort will be made this week to spread the word in reminding everyone to send in contributions. He said reminders from tuberculosis association of Horry County are being mailed.

"These are not intended as 'duns', he said, 'but simply to remind folk who have not sent check or cash payment for their Christmas seals. Everything is voluntary, of course, so we're not asking for return of the Seals'."

Total amount received to date is \$3,198.56, which is approximately \$200 behind the amount received at this time last year.

We wish for all our readers a joyous Christmas season. And we'll be with you again in the new year.
