Widows Of WWII And Korea Fight May Get Loan

A reminder that the widow of a World War II or a Korean Conflict veteran may be eligible for a GI loan if the veteran's death was service-connected was issued by the Columbus County Veterans Service Officer.

Furthermore, the County Veterans Service Officer said, the fact that the deceased veteran might already have obtained a GI loan does not affect the widow's eligibility for one.

However, if the widow herself is an eligible veteran, she accrues no additional GI loan rights because of her husband's death.

GI loan applications from such widows of World War II veterans must be filed by July 25, 1962. Korean Conflict eligibility extends to February 1, 1965.

Mr. H. Hugh Nance, whose office is located in the Courthouse at Whiteville, N. C. will be happy to answer any other questions regarding veteran benefits.

Christian Science

The vital importance for all mankind of the resurrection of Christ Jesus will be stressed Sunday at Christian Science services.

Scriptural selections will include accounts from Matthew, Mark, Luke, and John of incidents in the life of Jesus, including the betrayal in Gethsemane, the crucifixion, and his resurrection.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy these passages will be read (pp. 292,293):

"Truth will be to us 'the resurrection and the life' only as it destroys all error and the belief that Mind, the only immortality of man, can be fettered by the body, and Life be controlled by death. . . In his resurrection and ascension, Jesus showed that a mortal man is not the real essence of manhood, and that this unreal material mortality disappears in presence of the reality."
